DIETRICH FILM HERE

Famous German Actress Star of "Blonde Venus" at Capitol For Middle of This Week

"Blonde Venus," the latest starring picture of Marlene Dietrich, noted German actress, will be the middle of the week feature offering on the screen of the Capitol Theatre here.

The picture presents Miss Dietrich in the role of a woman who, to save her husband's life, accepts the love of another man. At first cold-blooded about the proposition, she soon finds that she is really in love with her benefactor. Her love for her son, however, continues to bind her to her husband. When her husband discovers the situation, he orders her from their home and she is compelled to make a decision that leads to a highly dramatic climax.

Herbert Marshall, noted star of the English dramatic stage, plays the role of the husband with Cary Grant, another popular English actor, as the lover. Dickie Moore plays the part of the little son.

"Cracked Nuts," an uproarious comedy featuring the Wheeler and Woolsey team, is being brought back in addition to the full regular program as the weekly revival feature for tonight only.

Presbyterian Young People Have Meeting

There was a good attendance of both members and visitors last night at the regular meeting of the Young People's Society of First Presbyterian Church. President E. J. Smith was in the chair.

The social committee, under sponsorship of J. A. Teng, was in charge of the program for the evening which included a male quartet by J. E. Davey, J. A. Teng, S. J. Hunter and Alex Clapperton, violin solo by Miss Nellie Lawrence, vocal solo by Miss Betty Wood and community singing.

Playing of games followed the program and refreshments were served by the committee in charge.

Mrs. M. M. Lamb and two daughters, Margaret and Georgina, and Mrs. Larry Halcrow and son, Billy, who have been visiting for the past five months in Scotland, returned to the city on last night's train. Mrs. Lamb and family visited with relatives in Edinburgh and Aberdeen while Mrs. Halcrow and son were in Glasgow. They crossed the Atlantic Ocean home-bound on the steamer Athenia to Montreal and had a very rough passage.
