PREACHED LAST NIGHT IN JAPANESE TONGUE

Interesting Service Took Place at Anglican Mission Where Rev. Cassilis-Kennedy Spoke

An interesting service was held last evening in the Japanese Mission hall on Sixth Avenue West when Rev. F. W. Cassilis-Kennedy preached fluently in Japanese to a congregation of about two dozen. Archbishop F. H. Du Vernet confirmed five candidates and twelve received Holy Communion. Z. Higashi, resident missionary, assisted Archbishop Du Vernet and Mr. Cassilis-Kennedy.

Mr. Cassilis-Kennedy was 29 years in Japan but for the past seven years has been superintendent of Japanese Missions of the province in connection with the Anglican Church. He is remaining in the city until Sunday and will hold more services during his stay here.

John Anderson, a well-known resident of Stewart, passed through the city today on his way home after spending some time in Calgary.

Miss Agnes Clifton, daughter of Mr. and Mrs. F. N. Clifton, arrived today on the Princess Beatrice from Vancouver and Winnipeg.

H. N. Raymond, an engineer employed in construction work, passed away at the General Hospital this morning at the age of 58 years. He had been ill for some time.

"Many hunters returned unsuccessful," says a news report, commenting on the hunting season, though in this district good bags have been obtained. No real hunter ever is unsuccessful. He may not bring game back to the city, but he returns a better man physically for his outing. There is more to hunting than the killing of game, just as there is more in fishing than catching fish. The stay-at-homes giggle inanely when he sees an angler or hunter trudging home at twilight with empty creel or bag, but the laugh is really on him.

in the game rather than in the score. A full creel or a well-filled bag is his trophy of success. But he knows that no man can hope to win all the time and he is quite content when he returns empty-handed, for he has had healthful recreation and has communed with nature in a manner that only the outdoors man knows. He has learned new lessons from creek and forest, from fish in the streams, from animal in woods; he has smelled the sweet odors of the forests. He has found:

"Books in the running brooks. Sermons in stones, And good in everything." There is no such thing as an unsuccessful hunting trip.

Hockey clubs are being organized for the winter in the Interior and preparations are being made for an active season at the popular sport.

"I Was Run Down"

"Body was completely covered with Boils"

"If you have ever had boils, you know how painful and annoying even one or two can be. But imagine having your whole body almost entirely covered with them! I am a watchmaker by trade, making a specialty of repairing the highest grade movements. This is probably the most trying of any mechanical work, particularly for a nervous individual like me. Working under great strain both day and night for three months, I brought myself to a state of collapse. I was so irritable and nervous that the slightest thing would send me up in the air. If I managed to get a few hours of sleep at night I was lucky. I had no appetite for food. I certainly was miserable. During this time boils began to appear on different parts of my body and the pain from them made life a misery. My suffering was so great at times that I felt there was nothing left for me to do but to end it all. I consulted doctors but they all told me that if I didn't give up my work and live out of doors, I would go into a decline. As I had no money I couldn't do this, in fact paying doctors' bills and buying medicines

used up all the money I made. Finally in desperation, I decided that I would either kill or cure myself, so I began to study my case. I realized that I was a completely run down man and I could possibly be with a bad case of nerves. What I needed was building up. After reading descriptions of different preparations, the one which appeared to be the best for me was Carnol. It has simply performed miracles for me. Four bottles have done more than months of travel abroad. I feel like a two-year old. I sleep eight hours every night and eat three good meals a day. My skin is like a baby's, free from blemishes of any kind and I have now almost forgotten that I have ever had such things as nerves. I want everybody who is ailing to know about Carnol, because I have such faith in it I believe it will cure any human ailment."

Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money.

Sold by Orme's Drug Store and McCutcheon's Drug Store.
