Six-Year-Old Had Bronchitis Every Winter

Bronchitis generally begins with chills, followed by fever and a harsh, dry, hacking cough. There is a raising of phlegm, which at first is of a light color, but, as the trouble progresses it becomes of a yellowish or greenish color and is sometimes streaked with blood.

All those who are troubled with bronchitis will find in Dr. Wood's Pine Syrup a remedy that will stimulate the bronchial organs, soothe the inflammation, soothe the irritated parts, and loosen the phlegm. Mrs. Oliver C. LePage, South Business, P. E. I., writes:—"My little six-year-old girl had very bad attacks of bronchitis every winter. In the evening and during the night, she would have fever and choke up, and had a wheezing in her chest. We tried several cough medicines, but they never seemed to do her any good. A neighbor advised us to try Dr. Wood's Norway Pine Syrup, which we did, and after she had taken two bottles she got perfectly well."

Price 25c and 50c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

FOUR INCHES OF SNOW FELL DURING NIGHT

Four inches of snow fell last night bringing the total fall this winter up to nine inches. In addition to this an inch of hail fell and all of the frozen rain still remains on the ground. The temperature this morning was considerably higher than it has been for some time, the reading being 28 degrees above zero. As a result the snow is beginning to melt in many places.

TURKEY IS PUT UP AS SNOOKER PRIZE

Snooker players about the city are to be given an excellent chance to eat turkey at Christmas through the offer of Ben Seif, of the Prince Rupert Billiard Parlors. An open tournament is being arranged and will start as soon as all the entries are in, possibly on Monday.

A fee of fifty cents will be charged to each entrant and all those wishing to enter should apply at once.

NO BEGINNERS TO BE ACCEPTED

School Board Decides to Start no Receiving Classes February 1

The school board last night decided not to accept any children for the receiving class on February 1 next year. It was pointed out by H. L. Campbell, superintendent of schools, that there were only ten children in each of the two schools who were intending to start next term and the trustees decided that the cost of engaging two extra teachers for this work would not be warranted. It was also stated that the children would not lose much by waiting till the fall term next September.

TO THE ELECTORS OF PRINCE RUPERT

Ladies and Gentlemen: In order to comply with the wishes of a great number of rate-payers, I have decided to offer myself as a candidate for the mayoralty for 1923.

My platform in the main will be as follows: First of all, economy and efficiency.

A complete re-organization of the city departments.

No discrimination, but a fair and square deal to all.

Strict and sound business methods to be applied in all deals in order to keep away the "tax-eater" and to keep the taxes down as low as possible.

An equitable assessment according to cash values.

Good roads at low cost, and a trunk road from end to end of townsite.

If this will meet with your approval, I hope you will give me your support at the next election.

ALDERMAN THEO. COLLART.
