Boat Service for North Coast.

The double boat service is to commence early this year, perhaps with the idea that there will be a northward move early in the season. Undoubtedly there will be a good deal doing here even before May 8, the date set for the commencement of the double service by the G. T. P. The move to Stewart alone will be such as to make a considerable amount of business on the steamers. With the Premier mine working steadily, the Silverado shipping steadily, many properties shipping in a small way and others being developed, Stewart will be one of the busiest spots on the coast.

Immigration to This Country.

A press despatch from London yesterday intimates that Canada has not been getting her fair share of settlers from that country, especially in connection with the families assisted by the British Government, Australia having secured most of them. Australia has plenty of vacant lands, but so has Canada. It is to be hoped that the Liberal Government at Ottawa will initiate a policy of immigration from the British Islands which will provide that Canada shall have an opportunity to fill up her own vacant lands with men and women from that country as well as from the other European countries.

Labor organizations are apt to take rather a narrow view in regard to this matter. They fear that the introduction of workers from the old country will crowd the labor ranks here and cause lower wages and consequently more difficult conditions. In that view they are to some extent justified. At the same time it must not be forgotten that in the settling of the vacant lands there must be men of other lines of labor come here as well. The chief difficulty is that often the life on the land is so little attractive that those who come here to settle on farms leave and drift to the cities, where they crowd the labor market.

If Canada is to share in the period of expansion which is enjoyed by other Dominions she must not be too squeamish about who is to come here as long as they are men and women who are capable of pioneering and who are likely to make good citizens.

Payroll at Stewart Encouraging to Town.

There is a big payroll at the Premier mine and this is likely to continue, but much of the money earned is spent on the American side at the town of Hyder. This can not be helped, because the road from Premier to Stewart passes through Hyder. What is desirable now is to open up the mines on the Canadian side of the boundary, which will take business the other way. The whole of the district benefits more or less from the development of a part of it. There is fairly free interchange across the boundary and Stewart should very soon become a hive of industry.

New Generation Is Growing Up.

The loss of the old-timers, such as John Keen, clerk of the Legislature, who passed away at Kaslo, reminds us that the old veterans of pioneer days will soon all be gone and the new generation will become old-timers. With each generation there is a change, usually for the better, although we miss the sturdiness of the pioneer.

In this community we are losing from time to time men like the late Paul Carey and others who were in the country before many of us were born. We are changing fast and it is wise for the older members of the community to try to keep pace with the spirit of the times, steadying it sometimes, perhaps, but not holding back too much.

In the mad rush of commercial life it is well for us not to forget what the pioneers did for the country. They were the men and women who paved the way for others who come in and reap the reward.

No Sum Too Small

We cordially invite small deposits and will gladly extend every service in crediting such sums to your account. We welcome deposits of even \$1.00 a week, which, with interest at 3% compounded semi-annually, totals \$280.26 in five years.

WHAT CAUSES SO MUCH SICKNESS

Constipation Responsible for 90% of Disease

"FRUIT-A-TIVES" Corrects It

It is generally recognized among the medical profession that Constipation or Insufficient Action of The Bowels, produces more disease than any other one cause. Constipation is responsible for at least 90% of the disease in the world today—because Constipation is responsible for the Indigestion and Dyspepsia—the nervousness, Insomnia and Rheumatism—the Eczema and other skin troubles—the Headaches and Backaches.

Why is this? As you know, it is the duty of the bowels to carry off the waste matter in the system. If the bowel muscles are weak or the liver inactive, then this waste matter remains in the body and poisons the blood. As a result, every organ in the body is poisoned by this waste.

"Fruit-a-tives" has been wonderfully successful in relieving Stomach Troubles, Nervous Troubles, Liver Troubles, Kidney Troubles, Skin Troubles and Blood Troubles, because "Fruit-a-tives" positively and emphatically relieves Constipation. "Fruit-a-tives" will always relieve Constipation, even though the trouble has been chronic for ten, fifteen and twenty years. Thousands of grateful users proclaim "Fruit-a-tives" the greatest remedy for Constipation that the world has ever known.

50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

J. F. MAGUIRE

Next the Prince Rupert Hotel

Ten Years Ago in Prince Rupert

February 24, 1912.

Mayor S. M. Newton and City Solicitor F. Peters, K.C., returned last night on the Cosmos from Victoria, where they went in connection with city business.

The old city hall on the G. T. P. reserve is a scene of great upheaval today. Following the recent notice given by the railway company to vacate, the city staff are removing their departmental belongings to the temporary premises in the new fire hall on Fulton Street.

The Prince Rupert Amateur Dramatic Society last night elected officers as follows: President, L. Bullock-Webster; vice-president, F. A. Ellis; treasurer, Miss Marion B. Johnstone; secretary, E. Flexman; executive, Miss Thompson, Miss Fulton, Mrs. Hubert Ward, L. Crippen and George Fitzmaurice.

BIRTHDAY OF MISS ELIZABETH CASH WAS CELEBRATED AT PARTY

Yesterday afternoon from 4 to 9 o'clock a jolly little party was held at the home of Mr. and Mrs. W. J. Cash, Summit Apartments, the occasion being the tenth birthday of their daughter, Elizabeth.

The rooms were artistically decorated, the George Washington color scheme being carried out and small hatchets used as place cards. Games and dancing were greatly enjoyed by the little guests among whom were: Eleanor Patmore, Dot Patmore, Lorna McLaren, Kathleen Bulger, Ella Steen, Mary Allistone, Dorothy Styles, Mildred Lindsay, Barbara Peyton, Lillian Peyton, Edna Littler, Victoria Krikeyevsky, Eleanor Tite, Margaret McLachlan, Beatrice Cash, Elizabeth Cash and Billie Knight.

PAINTERS ARE CHEAP.

Patron of the Arts—"Eighty-five francs? That's rather expensive for the work of a painter who's still alive."

Art Dealer—"Well, you might give me the money, and I'll see what can be done about it."—Le Natin.

ROTARY CLUB CELEBRATES ITS BIRTHDAY

Banquet Last Night at St. Regis Cafe With Music and Speeches.

The Rotary Club last night celebrated the seventeenth anniversary of the establishment of the first club by a banquet at the St. Regis Cafe. The wives of the members were guests of the evening and were out in force. A sumptuous repast was put up for the occasion and the members and guests all wearing Rotary caps gave a picturesque touch to the proceedings and at once put everybody at ease. President Duby was in the chair during the banquet, but for the entertainment that followed Dr. Korzin, chairman of the entertainment committee, took the honored position.

There was a good deal of singing of familiar choruses by the gathering and vocal solos by visitors and speeches were frequent but not long. An instrumental quartette consisting of Messrs. Lee, Dickenson, Vaughan Davies and Dr. Bayne played several selections. The soloists were S. K. Campbell, Mrs. Fraser and Mrs. H. L. Campbell, and their efforts were very much appreciated.

Founding of Club.

Dr. Grant gave a short account of the founding of the order. He told how Paul P. Harris seventeen years ago with three friends decided to hold regular weekly gatherings at the offices of each consecutively. They had no idea then of initiating a world-wide movement, but the idea spread and today the Rotary clubs encircle the world with 1067 clubs and a membership of over 80,000. The name originated with the idea of rotation of meetings at the different places.

There are no paid organizers for the clubs and they do not go out to seek new members. They could easily increase the numbers but have no wish to do so. No club has yet surrendered its charter.

Raise Ideals.

The doctor said that the aim of the organization was to try to raise the ideals of the community and back any important undertakings. No announcement in regard to backing the library plan had been made but the members were bound to help such a movement. He urged that they try to bring about better industrial conditions by the study of industrial problems in the best interests of the community. The motto, as promulgated by Paul Harris, is love, brotherhood, faith. He spoke of the recent efforts to bring about a better international understanding between the nations. The glories of war had gone with the recent struggle. Rotary represented the ideal of a better condition.

Interesting addresses were made and stories told by various members, including President Duby, George Bryant, T. McClymont, Major Sidney Johnson, C. H. Orme, Dr. Bayne, H. L. Campbell, W. Williams, T. H. Johnson, American Consul Wakefield and H. F. Pullen. Several of these spoke on behalf of various centres of Rotary.

The gathering broke up with the singing of Auld Lang Syne.

ALBERTA GOVERNMENT WILL MAKE STUDY OF CANADA BANKING ACT

EDMONTON, Feb. 24.—An appointment will be made by the Alberta government, states Premier Greenfield, of some person specially qualified to make particular study of the bank act of Canada. This act is to be brought up this year in the Dominion House, probably not at the present but at the next session of the House of Commons, and the Alberta Government proposes to make its own presentations as to any amendments it thinks necessary for the protection of the interests of this province.

As to the person to be appointed, the premier said that no decision had been reached as yet, but that it might be someone in the service if some person specially suited to the job were found.

TRY TO PREVENT BOOZE SMUGGLING EXTENDS TERRITORY

COPENHAGEN, Feb. 23.—Norway undertook a short time ago to extend her territorial waters to ten miles (instead of three miles) in an endeavor to cope with the organized and ever-increasing smuggling of spirits into the country.

The extension meant that all ships venturing inside the territorial waters were subject to search by Norwegian customs officers empowered to confiscate any cargo of spirits and under certain circumstances, authorized to seize the ship.

Both Denmark and Sweden have protested against the Norwegian extension of her territorial waters, and certain other powers have notified the Norwegian government that they will not tolerate any search of ships flying their flags and engaged in bona fide trade.

These protests have resulted in an amendment to the new Norwegian law on territorial waters to the effect that only ships anchoring within the ten mile limit are subject to search.

MADAME FAHEY PLANS COMING TO RUPERT

Famous Dramatic Soprano Will Tour Canada and probably Sing Here.

Madame Lugrin-Fahey formerly of Victoria but now of Toronto, who sang here for the Musical Society a year or two ago, is arranging a tour of Canada and her manager is in communication with local people with a view to having her return and give a recital here in the course of a tour of Canada which she is making.

WEDDING LAST NIGHT

Fred Schulze Marries Lady From Chicago Who Arried on Train.

Fred Schulze, well known in this city as "Fritz the handy-man," was married last evening to Miss Ruth Castell of Chicago who arrived on the train, the wedding taking place immediately afterwards, Rev. Dr. Grant officiating.

Fred went as far as Smithers to meet his bride. The wedding was a quiet one, just a few close friends being present.
