SPEECH OF PUBLIC
ADMINISTRATOR IN
CLOSING SESSION

Appreciative Remarks of Valuable
Legislation Put Through by
Provincial Government

VICTORIA, Dec. 20. — Chief Justice Macdonald, provincial administrator, in closing the session of the legislature last week, made several appreciative remarks of the work that had been done.

The speech was as follows:
"Mr. Speaker and Members of the Legislative Assembly.

"In relieving you from your legislative duties, it is with pleasure that I express my appreciation of the earnestness with which you have applied yourselves to the important questions submitted for your consideration.

"I note with gratification the humanitarian aim of measures to provide for the maintenance of the children of unmarried parents, and for the support of needy parents by their children.

Workmen's Compensation
"The amendment to the Workmen's Compensation Act will enlarge its scope and increase its benefits.

"The act to ratify an agreement with the Dominion Government for the examination of the iron-ore deposits of the province marks an important step in the investigation of our iron resources.

The consolidation and revision of the Public Schools Act places in convenient form the legislation relating to public education.

"The amendments to the Forest Act will provide additional safeguards against forest fires.

Electrical Inspection
"The Electrical Inspection Act will make for greater safety in the uses of electricity.

"The Conditional Sales Act is intended to define the rights of persons interested in goods subject to conditional sale agreements.

"The Gidding Mole Control Act should prove of great assistance in combating a menace to one of the great industries of the province.

"The Act to provide for the establishment of a provincial home for incurables promises amelioration of the lot of the permanently afflicted.

"In conformity with legislation in other parts of the Empire, the Jury Act has been amended to qualify women for jury service.

Advantage to People
"These, and other Acts passed at this session, will, I am sure, prove of advantage to the people of British Columbia.

"I thank you for the supplies granted for the administration of public affairs, and in taking leave of you I express the hope that your efforts during the session now closed will be followed with the fullest measure of success and result in the continued progress and prosperity of the province."
