This is a great mistake for before they know it, it has become settled on the lungs.

Dr. Wood's Norway Pine Syrup

and see how quickly your cold will disappear. Mrs. A. Coghlan, Magnolia, Alta., writes: "Last winter we all had bad colds in our family, and I didn't know what to do. Some friends told me to try Dr. Wood's Norway Pine Syrup, so I went and got a couple of bottles, and in a short while our colds were all gone. Now we always keep a bottle on hand in case one of us might catch a cold."

Gossard Brassieres Gossard Brassieres, like Gossard Corsets, are unerringly designed for the needs of the nine figure types. The new Longerlyne models are priceless to the woman who heretofore has been unable to find brassieres with special shaping to support and flatten the diaphragm and with extra length to prevent them from slipping up over the lower tops of the modern corsets.
