FIRE CHIEF PRESENTS HIS REPORT FOR YEAR

Total Cost of Administration for
 1922 Amounted to \$17,461.32

At the meeting of the city council last night the annual report of the fire chief was read. It showed that during the year there had been 85 alarms turned in, the damage by fire had amounted to \$8,222.22 and the insurance on this had been \$8,152.22. Property endangered had amounted to \$325,700. There had been twice as many fire alarms during 1922 as in any previous year.

The total cost of administering the department for the year was \$17,461.32.

FINAL COURTESIES AT COUNCIL MEETING AS ADJOURNMENT IS TAKEN

Before the city council adjourned last night, Alderman Dybhavn on behalf of himself and his fellow aldermen expressed his sincere appreciation of the unflinching courtesy of the mayor during the year just closed.

In reply Mayor Rochester thanked the aldermen. He had just concluded five years service in the council, he said, and the proceedings had been very harmonious except for the little fracas at the end. He thanked them for their support and hoped to see a good man in the chair next year.

CITY COUNCIL ENDORSES AC- TION OF MAYOR ROCHESTER IN HAVING SUSPENDED HEADS OF DEPARTMENTS.

(continued from page one)

company and should stay on the
 job until he is given an absolute
 release.

Mr. Montgomery: "Under those
 circumstances, then, the mayor
 cannot suspend although the Act
 says he can. What did the city do
 when Mr. Vance was at Kam-
 loops?"

Acting Treasurer

Mr. Dybhavn: "We have always
 been able to get along with an
 acting treasurer. I move that the
 auditors check up and in the
 meantime Mr. Birch be acting
 treasurer."

Alderman Kelly then arrived
 and asked what the discussion
 was about. The city clerk again
 read the correspondence.

Mr. Hooper, continuing the dis-
 cussion said there was a differ-
 ence between a man going away
 by his own consent and being
 sent away.

Mr. Montgomery said what he
 saw was that he challenged the
 council.

Mr. Hooper said he had tried
 last week to avoid a showdown.
 Now he suggested that Mr. Vance
 get a release and turn over the
 books to the auditors. He thought
 the mayor had power to suspend
 but not arbitrarily.

Mr. Montgomery was satisfied
 the mayor had the right to suspend
 any person. He could not take
 backwater.

Mr. Hooper said they could not
 suspend for doing something
 illegal.

Regretted Whole Matter

Mr. Kelly said he regretted the
 whole matter should have come
 up at the last minute. So far as
 the mayor's action in regard to
 the eight hour day, he had the en-
 dorsement of the city council. He
 did not think they should make
 any grand stand play. He was
 now going to endorse the mayor.

Mr. Kerr asked how this would
 affect the rest of the staff.

Mr. Hooper suggested they

You can serve it hot!

Eating foods that are lacking in real nutri-
 ment means lowered vitality. Try this hot,
 nourishing dish for breakfast or lunch: Heat
 two Shredded Wheat Biscuits in the oven to
 restore their crispness; then pour hot milk over
 them, adding a little cream and a little salt.

To make a real hot whole wheat porridge
 put the Shredded Wheat Biscuits in a small
 saucepan; add salt and enough water to cover
 the bottom of the pan; stir and boil until it
 thickens, then serve with milk or cream.

Better than ordinary
 porridges for young-
 sters or grown-ups.

Contains all the bran you
 need to stimulate bowel
 movement.

Shredded Wheat

The whole wheat food in biscuit form

should now pay the men off.

Mr. Kerr said he was opposed
 to this rush act all through. If a
 little oil had been used instead
 of throwing the monkey wrench
 into the machine it would have
 avoided trouble. The incident was
 then closed.
