MOOSE LEGION BAND

On Remembrance Day the only band available to take part in the annual event was the Moose Legion Band. Its value to the community was then demonstrated. Under the able training of the leader, Robert Greenfield, it has steadily improved until today it is an organization of which the city may well be proud.

Tomorrow the band is giving an entertainment for its own benefit, the only pay it gets. Doubtless it will get good Toronto support. The humorist for the evening is to be Jack Dough- Americans erty and there will be a number of other interesting fea- Ottawa tures. Anything Prince Rupert can do for the band will be Montreal well repaid in services rendered.

DR. TOLMIE'S POSITION

Judging by the despatch which came through Saturday Premier Tolmie's great idea is to keep T. D. Pattullo out. stewart after a trip to vancouve: He has had a great time keeping his followers together on escort duty. and this is the lash he wields: "If you want to elect Duff Pattullo put straight Conservative candidates in the field." It is not exactly the language of the statesman but it seems to go in some quarters.

It is satisfactory to learn that an election will be held in the spring and, no matter whether the Conservatives call themselves whta they are or hide under the pseudonym of Unionists, there will be a great fight. They seem determined to go into the fight backed by a P. G. E. settlement scheme which is expected to put to rout all the dissentient hordes. Tolmie will fight with his back to the wall and Pattullo will make his debut as leader at a general election. It will be a stirring time and politicians are already champing at the bit in their anxiety to engage forces.
