SMITHERS NOVELTY DANCE SUCCESSFUL

Attendance at New Year's Affair Was Beyond All Expectations

SMITHERS, Jan. 1.—The Novelty Dance held at the Town Hall on New Year's night was a resounding success, and the Athletic Association is to be congratulated on having provided first class program. 4

The attendance was large beyond expectation and included many visitors from outside points. Novelties were many and varied and a brisk business was done in kewpie's, balloons, barking dogs, etc. 4

Everybody was out for fun and revelry and time sped quickly and happily until the close at 3:30 a.m. 4

The musical program was handled by Gray's orchestra in its usual efficient manner. A very substantial sum was realized for the funds of the Athletic Association. 4

All The Family Had Bad Colds

"Did you ever notice that if one of the family contracts a cold it generally runs to all the other members?" Many people when they contract a cold do not pay attention to it, thinking perhaps it will pass away of itself in a day or two. This is a great mistake for before they know it, it has become settled on the lungs. Never neglect the first symptoms; get a bottle of

Dr. Wood's Norway Pine Syrup

and see how quickly your cold will disappear. Mrs. A. Coghan, Magnolia, Alta., writes: "Last winter we all had bad colds in our family, and I didn't know what to do, some friends told me to try Dr. Wood's Norway Pine Syrup, so I went and got a couple of bottles, and in a short while our colds were all gone. Now we always keep a bottle on hand in case one of us might catch a cold."

"Dr. Wood's" is 25c and one a bottle; put up only by The T. Millburn Co., Limited, Toronto, Ont.

ary treasurer. An executive was also appointed. Basketball and boxing are two sports on the program for the winter. As Progress Hall is too small, the officers are hoping to obtain the use of the G.W.A.A. Hall. 4

Gossard Brassieres

Gossard Brassieres, like Gossard Corsets, are ingeniously designed for the needs of the nine figure types. The new Longerlyne models are priceless to the woman who heretofore has been unable to find brassieres with special shaping to support and flatten the diaphragm and with extra length to prevent them from slipping up over the lower tops of the modern corsets.
