DOG DERBY AND BIG CARNIVAL

Great Race at The Pas Will Have Added Attraction This Year

THE PAS, Man., Jan. 2.—(By Canadian Press).—The Pas dog derby, an event which attracts international interest, will have as an added attraction this year a real northland carnival with festivities extending over a week. A carnival program which will keep the visitors from the "outside" entertained every minute of their stay here has been arranged, including winter sports of every variety while dancing—nocturnal and Indian dances—will be held every evening. An Indian village will also be open to the public and native sports will be carried on. The outsiders may also avail themselves of the thrill of riding behind a team of huskies in real northern fashion as a dog livery will be in operation. Additional attractions during the derby period include dog races of one to 25 miles, skiing, snowshoeing, tobogganing and a bonspiel. Native work will be on exhibit in a bazaar and a raw fur sale will be held for the public.

Numerous entries have been received from towns in Manitoba and Saskatchewan for the carnival and court contest which is being staged by the Dog Derby Association executive. The contest closes at noon on February 1 and the queen and her court comprising eleven girls obtaining the highest number of votes, will be brought to The Pas at the expense of the association and outfit in true northern fashion with caribou coats, etc., which they will retain. In addition the queen will be the recipient of a set of Arctic fox furs.

Local mushers are busy getting their dogs in shape for the derby, the main event of the week, which will be run over a 200-mile course, starting Feb. 22. Commencement of training was delayed owing to the late freeze-up and light snowfall, but as soon as the going was good mushers got their teams on the trail and The Pas is now a veritable dog town, with trains of huskies rushing in every direction. Many new dogs are in training for the 1923 derby, with the racing men buying likely looking dogs at prices ranging from \$60 to \$100. Remarkable speed is being developed by some of the local men who have been doing from 50 to 100 miles daily in preparation for the big event.

Although entries do not close until the eve of the race, a number of prominent dog racers have already expressed their intention of competing and a big field is expected. As well as the local entrants, there is a probability of teams entering from Selkirk, Man., Big River, Sask., and the Porcupine, Ont., district, but no definite assurances as to this have been given.

C. B. Morgan, winner of both the 1921 and 1922 races, is entering a team again and has retained the service of Bill Grayson, a veteran dog musher, who drove Morgan's team to victory last February. The second team, in the 1922 race was the Dupas-Baneroff entry, and it is possible that both these men will have a dog team competing in the forthcoming derby. Pranteau, of Grand Rapids, who never fails to finish in the money, but who has not yet a derby to his credit, will be competing again. Pranteau is one of the most picturesque figures in the north and can always be depended upon to put up a great battle.

Other local entrants may include W. Winterton, A. Russick, A. McDonald, Larry McKay, Solo, mon Cook, Alfred Ballantyne, W.

CHANCES ARE TAKEN WITH COLD IN HEAD

Such a Cold Should at Once Be Cured or Ailments Likely to Follow.

It is not a long way from the head to the lungs when the passage is made by a cold. When it reaches this stage a cold is tenacious and hard to cure, whereas, if treated in its early symptoms it would yield to a good remedy and save a lot of trouble. Everyone dreads pleurisy and pneumonia, but thousands neglect a cold in the head, which often is the cause.

That cold can be relieved in a single night by starting to take Grip-Fix as soon as the trouble appears.

This remedy is the only put in handy capsule form and it strikes right at the root of the trouble. It keeps the system open and relieves the muscular pains. It reduces the feverish symptoms. Two capsules taken three hours apart give wonderful results, and one capsule at two-hour intervals thereafter finishes the work.

Never be without a box of Grip-Fix in the house. On sale at Orme's Drug Store Ltd. 35c a box.

Constant, Carl Sherman and Baptiste Campbell, winner of the second derby, but who was unplaced in the 1922 race.

DOCUMENTS SUBJECT TO AND EXEMPT FROM THE NEW STAMP TAX

The following rulings in connection with the Stamp Tax on receipts of ten dollars and upwards are issued on questions which have been addressed to the department of customs:

Counter sales slips and cash register tickets are not taxable provided no words implying or stating acknowledgment of the receipt or payment of the money appear thereon.

Payrolls—signature of employees thereon being receipt for wages—are taxable in respect of each signature.

Receipts for payment of legacies are taxable and also receipts for money in deed or mortgage.

Receipts for payment of taxes—except those given to or by the Dominion and provincial governments—are taxable.

Individual freight bills and periodic statements of same, acknowledging receipt of payment, are taxable.

Customs House brokers' receipts are taxable.

Letters forwarded by mail, also postcards, acknowledging the payment of money, are regarded as letters and cards and are not subject to this tax.

All insurance policies, whether fire, life, marine or casualty, wherein the payment of money is acknowledged, are taxable.

Receipts drawn out of Canada, but not valid until countersigned in Canada, are taxable.

Voucher checks and checks with receipts endorsed thereon, when drawn upon or addressed to a bank, are not taxable as receipts.

Remitters counterfoil, being part of a taxable express money order, is not taxable as a receipt.

Days of \$75,000 and \$100,000 ballplayers have gone with lots of other things of the good old days, in the opinion of John J. McGraw, one of the champion spenders in the game.

The adjective "colorful" is seldom used in connection with the prize ring but a certain fighter in far-off France is most easily described by this one word. We have reference to our overseas friend Monsieur Eugene Cequid, featherweight champion of Europe, who a few nights ago put abridgments on the British champion, Billy Matthews, to

consume the year's output of any large amica factory. The fight was held in Paris and Matthews spent most of that Parisian evening on the canvas in sundry positions but stayed seventeen rounds out of the scheduled twenty.

Criqui fights both as a bantam and a featherweight, his rangy build enabling him to show well in both classes. He expects to meet Johnny Kilbane next spring according to reports, articles having been signed and everything is set.

Criqui has the reputation of being clever, packing a devastating wallop in his right hand and the unique reputation of resting anything that lands on his jaw. This results from a horrible wound received during the war when part of his jaw was shot away and the nerves were removed by the surgeon who patched him up. As a consequence his new jaw, mostly artificial, is immune from feeling and the knock out mitten must travel over another route to pull him to sleep.

No denials have been forthcoming to meet the rumor that Jack Dempsey, world's heavyweight boxing champion, and Boris Keane, film star, are engaged. Pictures published recently seem to bear out the rumor.
