CRITICISM OF METHOD OF PURCHASING COAL BY THE SCHOOL BOARD

At the school board last night Trustee Montgomery said there had been some criticism of the manner in which coal contracts had been distributed.

S. E. Parker expressed the opinion that there was no justification for any criticism. They had bought what they considered the most suitable coal at the lowest price tendered.

Trustee McLeenan favored the purchase of Island coal. It was decided to ask for tenders for screenings, nut, pea and mine run grades and to hold a meeting Saturday at five o'clock to open the tenders.
