Kellogg's ALL-BRAN Brings Relief

Constipation gets its grip on a person almost unawares. It often starts with such little things. Headaches. Listlessness. Bad complexion. Unpleasant breath. If unchecked, it may seriously impair your health.

Fortunately, you can avoid this danger by eating a delicious cereal. Laboratory tests show that Kellogg's ALL-BRAN provides two things needed to overcome common constipation: "bulk" and vitamin B. ALL-BRAN is also a rich source of iron for the blood.

Biological tests demonstrate that the "bulk" in bran is similar to that in leafy vegetables. Inside the body, it forms a soft mass, which gently clears out the intestinal wastes.

How much better than taking unpleasant patent medicines. Two tablespoonfuls of ALL-BRAN daily. are usually sufficient. Serious cases, with every meal. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.

ANNOUNCEMENT:

As it is getting more and more impossible for one man to handle all the work coming to my office, I have decided to take in as my partner Dr. O. E. Kvale of Edmonton, Alta.

Dr. Kvale was formerly employed as dentist at the University Hospital in Edmonton.

Knowing Dr. Kvale personally, I can fully guarantee the highest quality of work, and trust that we in the future will be able to give even better service to our patients than I have until now been able to do alone.

By-Pass on Colorado River

A surprise awaited the turgid Colorado river, recently, when a series of mighty booms sent the waters through by-passes around Hoover dam. Here is a view on the Arizona side of a diversion tunnel showing the river emerging from the outlet.
