Cook with This Wate

t Uses Less Fuel

Save money by using SMP Enam-

eled Ware cooking vessels. They use

less fuel. To satisfy yourself try this

convincing test in your kitchen. Take

an SMP Enameled Sauce Pan and one

of equal size made of aluminum, tin

or other metal. Into each pour two

quarts of cold water. Place each sauce

pan over the fire. The water in the

SMP Enameled Sauce Pan will be boil-

ing merrily when the water in the

other is just beginning to simmer.
