TUBERCULOUS PATIENTS

Sailors to be Taken Care of by Provincial Government at Tranquille

At the meeting of the hospital board last night a letter was read from the superintendent of marine hospital service saying that arrangements had been made with the Provincial Government to take care of tuberculous cases at the Tranquille sanitarium.

This led to a general discussion of the question of tuberculous patients and the opinion was expressed that there was no proper accommodation for them at the Prince Rupert Hospital.

The question of the erection of a sanitarium at Hazelton was also mentioned and it was suggested that the idea should not be allowed to drop.

Service at the Lowest Price Consistent With Quality—is The Motto of our Store

The old proverb says—a word to the wise is sufficent—hence mothers your children always receive the most careful attention at our store. They will be as ably looked after if alone as though accompanied by mother. This feature has always been lacking in most stores. Our store is too big to overlook the fact that the girls and boys of today are the women and men of tomorrow.
