ADMIRALTY COURT FOR PRINCE RUPERT

VICTORIA DAY CELEBRATION WAS A GREAT SUCCESS IN EVERY RESPECT

Admiralty Court Being Established Here with Judge Young in Charge

Fred Stork, M.P., has advised W. E. Williams, of this city, that County Court Judge F. McB. Young is being appointed surrogate judge in admiralty for this district by the Department of Justice and that there will also be a deputy registrar of the Admiralty Court here.

The establishment of an Admiralty Court here has been sought for many years and the news that the port is at last to have such is received with general satisfaction by legal and business interests. It is an important matter and will be of great advantage to the city of Prince Rupert, for it will allow for proceedings to be taken in regard to all foreign and domestic boats here instead of going to Vancouver or Victoria as has been necessary in the past.

All Roads Led Yesterday to Carnival on Acropolis Hill Held by Elks and Fair Board

Empire Day 1923 will be remembered by the citizens of Prince Rupert as one of the most delightful holidays ever celebrated. All day long the sun shone brilliantly and from early morning until late at night the several holiday resorts were besieged with a happy, smiling crowd of pleasure seekers. At an early hour the waterfront was crowded with picnic parties who belooked themselves by fishing, schooners and pleasure boats to all points of the compass in local waters laden down with the good things of life to eat. Those who stayed in town had plenty of enjoyment in store for them.

The Acropolis Hill grounds and the Exhibition building were thronged from an early hour with a host of grown ups and youngsters and all the fun of the fair was entered into in regular holiday spirit. Nothing had been overlooked by the joint committees of the Exhibition Association and the Elks in staging their sports program and carnival and the many events staged went off with the precision of clockwork.

Before a large crowd the Falcons and White Sox staged a snappy exhibition of baseball under the watchful eye of P. LaPorte, who acted as umpire. The game was well played throughout and there were plenty of thrills. At the end the score stood at 9 runs to 3 in favor of the White Sox although the Falcons put up an excellent fight and pulled off some good play. The teams lined up as follows:
