While the champion Intermediate and Ladies' basketball teams of this city has demonstrated their superiority in the hoop game over corresponding Anyox select aggregations, the Seniors are now even up on the two games played. Local fans are thus looking forward with keen anticipation to a return Senior game in this city and it is to be hoped that such may be arranged. In view of the fact that Prince Rupert has paid two visits to Anyox this season, a return match is coming to local fans. The managers may expect general support for such an affair and the visitors will be assured of a welcome equalling that accorded to Prince Rupert teams on their recent visits.

The closing games of the Men's Section of the Fraternal Whist League are set for next Thursday night. The championship is now between the Oddfellows and the St. Andrew's teams who are level at the top of the standing with twelve wins and five defeats each. Both teams are up against stiff opponents for their finals, the Oddfellows against the Knights of Columbus and the St. Andrew's against the Valhalla. The fact that there is nothing cinchy about the chances of either will make the finals as interesting as any of the games so far this season. If both teams win or lose, a play-off will be necessary to decide the championship. The play-off for the city championship between the winning Men's team and the Pythian Sisters, champions of the Ladies' Section, will be arranged to take place shortly after the Men's championship is settled.

The boxing tournament to be held Friday next, under the auspices of the Grotto Athletic Association, should prove of particular interest to local sport fans. The main bout between M. Roy and Eddie Craig will be the tit-bit in local sporting events. It will consist of six three-minute rounds to a decision. Both boys are taking the coming fight encounter seriously and are at present in strict training under capable trainers. They are both sure of winning. In addition to the main bout there will be five good preliminaries so that boxing fans will have plenty of variety in their entertainment. As to who will be the referee in the main contest has not yet been decided.

**SERIOUS DISEASES**  
**SPRING FROM COLDS**  
Prompt Attention Necessary to Avoid Lung Trouble

Just as "fall oaks from little acorns grow," so is a common cold often the seed from which spring serious diseases, such as pleurisy, pneumonia and other lung troubles. Taken at the start, a cold yields to proper treatment. Neglect it and it not only causes serious inconvenience, but is very liable to develop into diseases which are rightly dreaded by all.  
That cold can be relieved in a single night by starting to take Grip-Fix as soon as the trouble appears.  
This remedy strikes right at the root of the complaint. It keeps the system open. It relieves the muscular pain. It relieves the feverish conditions. It comes in capsule form and acts promptly. Two capsules taken three hours apart give wonderful results, and one capsule at two-hour intervals thereafter finishes the work.  
Have a box of Grip-Fix in the house. Never be without it these days. On sale at Ormes Drug Store Ltd. 35c per box.
