# WOULD WITHDRAW WHEAT THIS YEAR

American Farm Bureau Wants Government to Finance 200,000,000 Bushels

WASHINGTON, July 25 .- (By Canadian Press) .-- The American Farm Bureau Federation intends to press hard for the adoption of its plan to have 200,000,000 bushels of wheat withdrawn from the market this year and financed through the new intermediate credit banks which were authorized in the last session of Con-

Two Hundred Million Surplus This is the plan which the president has been urged by the federation to recommend and which has been urged on the secretary of agriculture. It is contended that the 200 000,000 bushels will be the surplus this year and if it is not held off the

market, wheat prices, already low,

# BRINGING UP FATHER

### other hand, it is denied the plan contemplates indirect government; subsidizing of wheat or subsidy for the farmer at the expense of the consumer.

Building Commenced

there is no other way to protect the interests of the wheat grower and that unless this method is followed, there will be almost irin readiness for the building of resistible demand for the fixing of the price of wheat by the govpleted by Gus Elstron, the con-ernment. Mr. Silver points out tractor, and an early start will that the farmers will need no acbe made on the bridge in order tion by Congress, by President to have it completed this season, Harding or the Department of Major R.
