JUST as sunlight, purifies our homes, and gladdens the heart of man, so Sunlight Soap purifies our clothes, and gladdens the heart of woman.

The cocoanut oil produced in tropical sunlight, gives Sunlight Soap its soft rich lather. Palm oil makes Sunlight Soap hard, firm and economical in use.

Above all, just as the sunlight itself is pure, Sunlight Soap is the very essence of purity.

'Sunlight' is more than the name of a soap; it stands for brighter homes, less work, and money saved. Buy Sunlight today.

Don't Save Water

The quantity of cream in every can of Pacific Milk is so great that to get the best results in cooking you must not spare the water. Unless a recipe calls for cream, always use as much water as you do Pacific.
