East Ship Harbour, N.S.

"For years, I was a dreadful sufferer from Constipation and Headaches, and I was miserable in every way. Nothing in the way of medicines seemed to help me and I was almost discouraged.

Then I tried "Fruit-a-tives" and the effect was splendid; and after taking one box, I can safely say I am well. I feel like a new person in every way and I am deeply thankful to have relief from those sickening headaches".
