CELLAR AT ANYOX TO MAUL OPPONENTS

Beat Smelter by Score of Ten to Six in Recent Game

ANYOX, July 14.-It makes no difference how many games of ball a team has won on end, nor how great the confidence they may have in themselves as winners, there is nothing sure about the result, and for that reason baseball recalls the song "It makes no difference what you were, it's what you are today." What the score was in the last game has no bearing on the getting of runs or the fielding of the ball in tomrrow's fixture. Form has no place in doping a ball team's chances. The Mine was shaping up in the minds of a number of fans as being the unbeatable aggregation of the Anyox League, even some of the players of the opposing teams were partly convinced that the games were as good as won before the play started. This thing

Certainly it is no longer necessary. For a very nominal charge - less than it would cost you at home when you count your own time-we will call for your bundle and do your entire washing, and any part or all of the ironing.

A phone call will bring our representative who will explain in detail our many washday helps.
