John Prescott, left for the halibut banks on Thursday after having been completely remodelled, repainted, and the gadgits all fixed up. Cap is bent on setting up some new catch records with his patent magnetic bait.

Ethel June on Holidays

Ethel has been such a busy girl for the past few months that she is a trifle run down and as a consesuence has been given a rest on the Ward ways. Her skipper, Capt. Dave Ritchie, is attending to her wants himself and will see that the industrious young thing gets everything she needs to bring back her old strength. If everything 'goes well Ethel will leave over the week end for the old stamping grounds on the halibut banks.

Jack Toner, late of Seal Cove cannery fame, has thrown in his lot with the Ketchikanites and left for the northern port some days ago. Just what particular portion of the American business world Jack is responsible for has not yet been determined.

Power Donkey for Kitkatla Louis Lockhart has establish-

abled craft was brought into port in tow of the Narbethong. However, alls well that ends well, and a new crank shaft has been installed which will permit the Oh Baby getting in the joy dispensing game over the week end.

POULTRY CLUB HEARS ADDRESS-

H. E. Waby, Government Expert, Dealt with Subject in Interesting Manner Last . Night

H. E. Waby, poultry expert for the provincial government, gave an interesting address last night before the members of the Prince Rupert Poultry Association in the city council chamber. There were about 15 persons present and J. E. Davey, president of the association, was in the chair. Mr. Waby dealt with the various phases of poultry keeping including house construction and appliances, feeding, breeding and general care. Many questions were Signs of Good Health asked and were answered satis- Strong Healthy Organs, that function Regularly and Freely, without Pain or Delayfactorily by the speaker.
