Terrible Headaches and Dizziness

Miss S. Raphael, 227 Kenilworth Ave., N. Hamilton, Ont., writes:—"I used to suffer from terrible headaches and dizziness. Last summer, while I was walking up a side street, I got a dizzy spell and fell in the middle of the road. An old gentleman helped me to get to where I was going and told me to get a vial of Milburn's Laxa-Liver Pills. Well, I did, and they did wonders for me. I don't know how to thank you, as I don't get headaches or dizzy spells any more."

When your liver gets sluggish and inactive your whole health suffers, and the only way to keep well is to keep the liver active and performing its proper functions by using Milburn's Laxa-Liver Pills.

Price 25c a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co. Limited, Toronto, Ont.

British Columbia Produces Milk

The highest quality canned milk produced in Canada at this time is Pacific Milk. It is exceptionally rich in cream and butterfat, which saves a great deal of shortening when one is baking cakes.

It is the high quality of the fresh milk, supplied by the famous dairy herds of the Fraser Valley, that is responsible for the goodness of this British Columbia product. Our improved process only retains the natural goodness and flavor which nature gives the fresh milk.

Watch your weight

Potatoes, white bread and pastries make fat. You can't do the day's work under a burden of fat. Shredded Wheat is a builder of muscle, bone and brain; with just enough carbohydrates to supply heat, energy and healthy tissue, and just enough bran to keep the bowels healthy and active.

The doctors call Shredded Wheat "a well-balanced ration" because it supplies every element the human body needs and in the right proportion. The crisp, tasty, oven-baked shreds of whole wheat are delicious with hot or cold milk for any meal.

Shredded Wheat is a perfect all-day food.
