

## AMERICAN ALPINISTS MAKE FIRST ASCENTS OF PEAKS IN THE CANADIAN ROCKIES

of the highest peaks in Jasper National Park, Mount Brazeau, have just been made for the first time. The making of these first ascents is due to Mr. Howard Palmer, of London, Conn., and Mr. Carpe, of New York, men who have international reputations as mountaineers. It was Mr. Palmer who first discovered the peak, and he is the vice-president of the American Alpine Club and a member of the Canadian Alpine Club. Both are Fellows of the Royal Geographical Society. The two men left the Canadian Pacific at Jasper and made a trail of thirty-five miles, and in seven days explored and mapped a territory of remarkable scenic beauty. Interviewed on their return from the trip, they described the trip as one of the most interesting made in several years of mountaineering.

The object of the expedition, said Mr. Carpe, "was to explore the mountains between Maligne Lake and Brazeau Lake, particularly to locate and climb Mount Brazeau and to map the extensive Brazeau ice field. Mount Brazeau, named by Prof. A. P. Meade, of Toronto, who visited in 1894 from the Brazeau side and made an unsuccessful attempt to climb Mount Brazeau, which he estimated to be 11,000 feet high. The mountain had not been approached since then and the peak had not been mapped, so the location of Mount Brazeau Brazeau ice field were uncertain. We made the first ascent of Brazeau and three other peaks in the vicinity, also a prominent mountain on the shore of Maligne Lake, as Mount Unwin. From our positions, we were able to identify Mount Brazeau range, with mountains visible directly at the foot of Maligne Lake, about seven miles from the position shown on current maps. We obtained topographical data which has been worked out. The ascent of Mount Brazeau, led across Maligne Lake to

#### USE OF PRIVATE BOATS

Editor Daily News.

I am given to understand that a complaint has been made over the use of the fish boats to carry the Elks to Essington Sunday. I beg to point out to you that these complaints are made by either those who do not want to use a boat and do not want anyone else to do so or those who want more expense placed on the vessels. In fact those who wish to spend some one else's time and money.

The people here are supposed to have a little sense. They are capable of spending their own money, if they wish to ride on a fish boat or a barrel and can make a bargain with the owner of either of these vessels they have a right to do so, that is their business. They do not need to run to some official for permission to do so.

Again it is certainly no more wrong for a boat to offer its services to the public, than it is for the public to use it. If certain requirements are necessary, they are necessary for all for the same number of people, private boat, fish boat or work boat. The best governed country is the least governed.

HOOMES K. FREEMAN.

G. A. McNicholl, C.N.R. general passenger agent, Vancouver, returned by last night's train from Smithers and will sail for Anyox tomorrow evening. He expects to go south on the Prince George Thursday evening.

## ENGLISHMEN ARE WINNERS AGAIN

Defeated Sons of Canada by 5 to 1 in Stuart Shield Soccer

The Sons of England football club put the double clinch on the Stuart Shield last night when they defeated the Sons of Canada by 5 goals to 1 on the Aeropolis Hill grounds before an interested crowd of spectators. The scorers for the Sons of England were Eric Mackintosh 2, E. Craggs 1, Johnson 1, Lord 1, while J. Marks scored for the S.O.C. from a penalty.

The teams lined up as follows:

Sons of England—H. Frizzell, goal; D. Hodgson and J. Farquhar, full backs; Hodgkinson, G. Kelsey, and P. Tinker, half backs; P. Cameron, O. K. Lord, Eric Mackintosh, Johnson and Craggs, forwards.

Sons of Canada—D. Frizzell, goal; Vic Menzies and G. Mitchell, full backs; Hamilton, E. Smith and H. Astoria, half backs; A. Mitchell, Vincent, J. Marks, Bert Long and W. Mitchell, forwards.

#### The Play

The Englishmen won the toss and elected to kick on the down grade. Both teams started play with ten men aside. The S.O.E. forwards got away on the run and D. Frizzell was called upon and proved equal. Lord, for the Englishmen got the ball and passed to Mackintosh who scored with a gentle tap.

Soon afterwards Craggs, for the S.O.E. scored with a nice shot from the touchline. In a combined rush by the Canadians Bert Long missed an open goal. The Sons of England then made a smart and Cameron made a good try for honors but the ball got on the wrong side of the net. Mackintosh, for the Englishmen, got clear through and shot at Frizzell who saved well and immediately afterward Lord took a try with the same result.

At half time the score stood 2-0 in favor of the Sons of England; the score just about representing the run of the play. Jimmy Marks playing at back for the Sons of Canada adopted the practice of playing the English forward line off-side with considerable success.

#### Second Half

The Sons of Canada pressed from the commencement. D. Frizzell saved a lucky shot from Lord during a transfer of the activities. Eric Mackintosh, for the Englishmen, got possession of the ball from a diked kick by Vic Menzies, gently tapping it into goal. Frizzell, for the Englishmen, was called upon to save an awkward screw shot by Marks. A beautiful goal was scored by Johnson from far out. A penalty given against Lord, for the Englishmen, was made good use of by Marks. Just before the whistle blew Lord put a nice goal past D. Frizzell on a pass from Craggs.

The play was scrappy in spots and referee Geo. Russell kept a extra tight check on things generally.

A. Clapperton and W. Willis-croft acted as linesmen.

## BOXING BOUTS AT BUCKLEY BAY WERE VERY WELL CONTESTED

BUCKLEY BAY, Aug. 7. — The Buckley Bay Athletic Club was responsible for a very successful boxing exhibition on Saturday night at which ten contestants, including several from S.S. El Cid were matched. All the bouts proved very interesting, the boys putting up some excellent sparring and at times some heavy hitting. The first two bouts were draws. In the last Billy Hill won from Shortie King. Hill is a handy man with the gloves and it is reported that he is ready to meet any of the Prince Rupert boys of his size. He will probably visit there before long with a view to a match. The contestants were:

Tubby Morgan vs. F. Timmis. Dave Hastie vs. Lory Bryant. Slim Eiden vs. George Garrow. G. Gordinear vs. Bill Davies. Shortie King vs. Billy Hill. Eiden and Davies were winners of their respective bouts. The new hall in which the bouts were held is to be used in future as the Athletic Club headquarters.

## Change of Water Change of Diet Change of Climate Cause Diarrhoea

Mr. Fred Palmer, 217 Dalhousie St., Brantford, Ont., writes:—"When I first went out to the North West the water played havoc with my bowels, and being in a remote spot I could not get anything to give me relief for any length of time."

I wrote and told my wife about the time I was having and she sent me a bottle of Dr. Fowler's Extract of Wild Strawberry, and I cannot speak too highly of it for what it did for me.

Whenever the children have any bowel trouble from eating fruit or drinking strange water, which they have done for the past five years, living in the country, the only remedy we use is Dr. Fowler's, and nobody should be without it as it cannot be beat for instant relief."

Dr. Fowler's Extract of Wild Strawberry has been on the market for the past 75 years, you don't experiment with new and untried remedies when you buy it, but be sure and get Dr. Fowler's when you ask for it as a substitute may be dangerous to your health.

Price 50c a bottle; put up only by The T. M. M. Co., Limited, Toronto, Ont.

## Sport Chat

The White Sox and Colts meet tonight at the Aeropolis Hill grounds in an Intermediate League fixture. Last week's game had to be postponed on account of rain but everything looks favorable for tonight's meeting. The teams will play as announced last week and a good crowd of fans is expected to attend in view of the interesting matches that these two teams have been putting up lately. The Colts have won all their games so far and the White Sox have yet to score a win. The latter, however, are not a bit discouraged and have good reason for their confidence that they will get their first taste of the fruits of victory tonight.

Johnny Weissmuller, the greatest swimmer that ever splashed the water, will never swim again. The youthful world's champion is suffering from a dilated heart. He must have absolute rest for several months at least—until the strain is compensated—and even then he will never be safe to indulge in violent exercise again without endangering his life. The strenuous campaign indulged in by the 18-year-old water wonder for the last two years has proven too severe for his heart. Weissmuller has been swimming constantly and with all his might. He has broken 37 world's records at all distances and in all parts of the country. He holds more marks than any other champion in the realm of sport, but he has sacrificed his heart and his health in doing so.

Probably the biggest aquatic meet ever held in Victoria will be staged at the Capital City on Saturday, August 11. One Canadian, one British Columbia and four Pacific Northwest championships will be at stake. This is the first time that so many championships have ever been awarded to Victoria. Competition from Seattle and other American coast cities is looked for by the V.I.A.A. A large number of Vancouver's best will also invade the Island City for the day. The provincial championship at stake is the 50 yards for ladies. One of the P.N.W. championships will be the 500 yards for ladies. Audrey Griffin, of Victoria, won the 500 yards event at Seattle some days ago and is the present holder of the outdoor championship. In the P.N.W. diving championship some keen competition is expected, and it is possible that Kuehn, of Portland, holder of the Olympic title, and "Blackie" Fadden of Seattle, holder of the indoor title, may compete.

### BUCKLEY BAY

Mrs. Turner of Portland, Ore., and Miss Snider of Seattle have been visiting Mrs. Turner's brother G. H. Stevens. Early last week they made a trip to the whaling station at Naden Harbor with Rev. James Gillett and party and they also made rounds of the logging camps with A. B. Pleas, logging superintendent. Yesterday they left for Prince Rupert to sail south on the Prince Rupert.

The Sunday School picnic this

# Blind Man's Buff

**E**VEN in this age of enlightenment some folks spend their money blindly. They buy with their eyes shut. They grope in the dark as truly as if their eyes were bandaged.

And all the time a powerful light is being thrown on the very things they need and want!

*Advertising is a beacon to guide you in buying. It shows you what to buy—where to buy— and when to buy. At the same time, it protects you against fraud and inferiority.*

*Merchants and manufacturers who advertise deliberately focus thousands of eyes upon their wares. Their values must be honest and their prices right, or they could not advertise successfully.*

Don't play blind man's buff with the elusive dollar. Spend a few minutes each day running through the advertisements in this paper. Then buy the products that have proved up in the light of advertising.

## Read the Advertisements.

year was held at Woden River. The young folks were taken there in the mission boat Western Hope and prizes for the sports were provided by the Athletic Association.

C. W. Poole and Charles Holmes were week end visitors to Ian River and lake on a fishing expedition. They are reported to have made the largest catch of the season.

Tug Evergreen arrived here after getting new boilers installed at Prince Rupert.

W. H. Richardson and George Andre returned recently from a week's outing to Yacon River. They spent some of the time fishing.

A fire broke out in a slashing in the city for the past fortnight in connection with his realty interests, sailed last night for the logging operations there. So far the skid road, poles and tackle have not been injured.

A new camp is just going in building on Third Avenue to at Kumbis Slough to replace James Killas.

Number 12. M is in charge of T. F. Foley.

**Expectant Mothers should send for this book**

**"Before Baby Comes"**

For 10c. we will send to all who state the month they expect Baby, a copy of "BEFORE BABY COMES." Written by a doctor, it tells the mother-to-be how to take proper care of herself during the anxious weeks of waiting, so that when Baby arrives he will be as fine and bonnie as she wishes to see him. This is a very helpful book. Write for it today, enclosing 10c. to our Sales Agents, Harold F. Ritchie & Co., Ltd., 10 McCaul St., Toronto. Please mark your envelope Department 48.
