HOUSES FOR LONDON

LONDON, Feb. 13.—Since the
signing of the armistice in
November, 1918, the British gov-
ernment has erected 181,916
houses in England which have
been leased at low rentals to
those who were financially af-
fected by the war and industrial
conditions.

The present building program
provides for the immediate erec-
tion of 30,229 more such houses,
with an additional 50,000 in the
future.

Last night the hospital nurses
on the eve of the Lenten session
entertained a few of their friends
at a little dance, which was
much enjoyed by those attend-
ing. Each nurse had the privi-
lege of inviting one friend.

Her Three Children

HAD

Whooping Cough

Many mothers make the mistake of
thinking that whooping cough is not of
serious importance, but it is one of the
most dangerous diseases of infancy, and
yearly causes more deaths than scarlet
fever, typhoid or diphtheria, and is more
common in female than male children.

DR. WOOD'S

NORWAY PINE SYRUP

is highly recommended by mothers every-
where for the relief of this trouble, as it
helps to clear the clogged-up air passages
of the mucous and phlegm that is col-
lected, and in this way brings on the
"whoop" which brings the so-much-sought-
for relief and heals and soothes the
lungs.

Mrs. H. W. Mallar, Kentville, N. S.,
writes: "My three children had whooping
cough. I tried every medicine I could
think of until an old gentleman told me
to try Dr. Wood's Norway Pine Syrup.
Before they had one bottle taken the
cough seemed better, and after two bottles
they were about well. It loosened the
cough and relieved them of that hard, dis-
tressing and strangling feeling that goes
with it."

"Dr. Wood's" is 35c and 60c a bottle.

PROMINENT MEN INSURED LIVES

List of Those Who Have Had
Large Policies Written on
Their Lives

Hon. P. C. Larkin, Canada's
High Commissioner to London, is
the greatest Canadian purchaser
of life insurance. He is said to
carry policies totalling \$1,000,-
000. There are many Canadians
running from a quarter to a half
and three-quarters, but Hon. Mr.
Larkin is said to be the only man
to reach the million mark.

The U.S. boasts of 56 men and
2 women who carry one million
or more. Including in this list
the \$3,000,000 carried by the late
John Wanamaker, the aggregate
for the 58 persons is \$88,185,000.
We have not reached the stage
yet where our big men are able
to set aside such a huge portion
of their funds as they do in the
U.S. for insurance purposes,
stated one of Canada's leading
life insurance men. Over there
they go in more for intensified
business and the result is that
many of the huge policies are
business policies. It is interest-
ing, said this agent, to talk to
some of these leading Yank sales-
men. A million-dollar policy falls
as glibly off their tongue as does
a \$100,000 policy here.

The list of leading insured in
the great companies follows:
