SCHOOL CONCERT VERY EFFECTIVE

Crowded House Out to Children's Entertainment at Booth School

SEEN AGAIN TONIGHT

The annual school concert this year was a great success, seldom has any entertainment as enjoyable as the one put on last night by the pupils of the Prince Rupert public schools, been heard and seen in this city. The pupils, bright naturally, showed that they had received excellent training and much credit is due to the teachers who gave so willingly of their time in the training of the pupils and in preparing costumes and doing other work in connection with this event.

The costumes of the children were most artistic and effective, showing much skill in design and workmanship. The stage setting, which was new, having been specially prepared for the occasion, was effective in green and red. No pupils of any schools in any part of the world could present prettier pictures than those did at the Booth school last night.

Wonderful Mammy

The Darkey lullaby which opened the program was well sung and Miss Audrey Tremayne as Mammy was wonderful. The second number showed lots of color effectively arranged and was popular with the audience. The numbers by the juniors were in the capable hands of Misses Scott, Hibbard and Gladwell and were enjoyed apparently by the little tots as much as by the audience, which was saying a great deal.

One of the features of the evening was the operatta "The Fairy Shoemaker," a beautiful little thing with sweet music and graceful dancing designed to show the existence of fairy gold which mortals touch only to fade away. The singing in this was excellent, the choir showing good training in their tone effects and enunciation. Much credit is due Misses Stone and Mercer for the excellent results obtained.

Pied Piper

The Pied Piper of Hamelin was a play adapted from the well known poem. It was humorous, the rats being ever present and causing much merriment. The dialogue was excellent and all played their parts well. The trainers had been able to rouse a great deal of enthusiasm in the young people who took part and the results were wonderful. Of special interest was the clap dance executed by eight little girls. Miss Mills, Miss Loudon and James Mitchell deserve great praise for their efforts in training for this number.

The program is to be repeated at the same place tonight.

HER CHILDERN HAD WHOOPING COUGH

This is one of the most dangerous diseases of children. It starts with fever and cough. The cough is at first short and sharp, but gradually increases in severity and occurs in sudden spasms, vomiting follows, and sometimes there is nose bleed; the child turns livid in the face, the eyes appear as if they would burst from their sockets, and suffocation seems imminent till relief is brought on by the "whoop."

Dr. Wood's Norway Pine Syrup will clear the bronchial tubes of the collected mucous and phlegm and in this way ease the racking cough, and in a short time make it disappear.

Mrs. L. Ambrose, Sarnia, Ont., writes:—"My little ones were both sick with whooping cough. I read where Dr. Wood's Norway Pine Syrup was good, and I only used two bottles and they were better. I had chronic bronchitis for three years and tried everything until, finally, I got 'Dr. Wood's'. I would not be without this remedy."

Price 35c a bottle; large family size 60c; put up only by The T. Milburn Co., Limited, Toronto, Ont.

Sport Chat

With the bird hunting season closing on Sunday next, this week-end will mark the last drive on geese and ducks by local huntsmen. Last week end several parties were out and good success was reported by the most of them. Some went a long way and stayed quite a while but they were rewarded with good bags. There were a couple of parties who went up the Naas River. The only people who don't like wild ducks and geese these days are the merchants who are trying to get rid of big stocks of Christmas turkeys.

The Stewart Winter Sports Club, which was recently formed, has located near town a good toboggon slide 300 yards long and four tobogans have been ordered which will arrive at an early date. The Club also has in hand the matter of building a skating rink and the executive has been empowered to appoint a sub-committee to go into the matter and report back to the club.

Plans are being prepared in Honolulu for the construction of a huge athletic stadium utilizing the crater of the extinct volcano in the centre of the city. It is declared that the construction cost will be small because of the natural facilities and that the crater is capable of seating 95,000 people. It is intended to eventually compete with California in the staging of winter sport features.

NEW TREASURER FOR BADMINTON CLUB

Coming Wedding of Don Corker is Recognized by Organization

At a meeting of the executive of the Prince Rupert Badminton Club last night, W. B. Hamilton of the Bank of Commerce staff, was chosen treasurer in place of Norman Bartlett, who is leaving for Vancouver tomorrow night, having been transferred to the branch of the bank there.

It was decided to recognize the forthcoming wedding of Don Corker, one of the founders and active members of the club.

The financial condition of the club was found to be quite sound although two or three members, who have not been using the courts, are dropping out. Several new members are expected at the beginning of the year.

It was reported that the courts had been used regularly practically every evening with the exception of Saturdays.

ONE IN EIGHT OF NEW JERSEY PEOPLE OWNERS OF AUTOMOBILE

NEW YORK Dec. 19.—William L. Dill, state motor vehicle commissioner of New Jersey, reports that one of every eight persons in that state owns an automobile, and that at the present rate of registration one in every four will own a car in 1950.

He estimated that there will be an increase of 90,000 in the number of licensed operators for the year, with a total of 445,000.

HEN CANNOT STEAL DECISION OF COURT

BOSTON, Dec. 19—A hen cannot steal, and Lady Camille is beyond the clutches of the law, a local judge has ruled. So the Blue Orpington hen which plucked a diamond from a ring on the finger of George A. Hennessey, and was arrested for larceny, was restored to her coop at a chicken show here.

Hennessey had no redress against John Strom, owner of Lady Camille, the court said, as Strom had not committed larceny.

ACTORS ADVOCATE MUTUAL FRIENDSHIP

NEW YORK, Dec. 18.—At a recent luncheon given by the Drama Section of the New York Chapter of the English-Speaking Union, at which were present many stage celebrities including Cyril Maude and Walter Hampden, a resolution was adopted expressing mutual friendship and advocating joint work for closer and better understanding among English-speaking peoples.
