GOOD VALUES AT ACME IMPORTERS

Big Sale is Being Well Received—Special Sale of Boys' Clothing This Week

The Acme Importers, an old established men's and boys' clothing house, has been forced to vacate its present premises on Third Avenue owing to the expiration of the lease. Lipsin Bros., owners of the business, have decided to sell out their entire \$40,000 stock at less than manufacturers' prices.

This well known clothing emporium has always carried a large and varied range of several well known English brands of clothing and underwear. The closing out sale, which commenced last week, has been well received. The genuineness of the bargains offered has particularly appealed to the people of the city and the surrounding country. Many keen buyers are taking this opportunity to stock up their household with clothing. Xmas shoppers are also taking advantage of the sale to purchase Yuletide gifts. While the sale has been very well patronized to date there are still a great number of bargains being offered.

This week the Acme Importers will put on a special week for boys. Their advertisement appearing in this paper today gives a few of the exceptional bargains offered. During the term of the sale the Daily News will carry advertisements setting out the special bargains. It will be to the interests of every subscriber to read these advertisements and profit thereby.

HUBERT WARD'S BOAT SANK SATURDAY NIGHT

Considerable Damage Done to Engine and Fittings of Pleasure Boat "Eva."

Hubert Ward's gasoline boat "Eva," tied up at the Westview wharf, sank on Saturday night due to rain penetrating and the sea water flowing through the exhaust. With nothing but the forepeak above water, the craft was taken to Cow Bay by the Pachena yesterday afternoon. Considerable damage is done to the engine, fittings and interior of the boat.

A salmon fishing boat also tied up at the Westview wharf sank at the same time.

HIS SLUGGISH LIVER MADE HIM FEEL DROWSY AND TIRED ALL THE TIME

When your liver becomes sluggish and inactive your whole health suffers, and the only way you can get back to feeling right is to make your liver right.

This you can do by the use of Milburn's Laxa-Liver Pills as they will stimulate the sluggish liver, clean away all waste and poisonous matter from the system, and prevent, as well as relieve, all complications arising from a liver that has become inactive.

Mr. E. Hazel, East Florenceville, N.B., writes:—I had been troubled with my liver and felt drowsy and tired all the time, and was unable to do my work with any comfort. I took your Milburn's Laxa-Liver Pills and today I am a different man, and would not be without them in the house.

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

SOME clergymen get more excited over church union than they do over religion.

WHAT is needed in all lines of endeavor is men on the construction gang.

SOME of the girls are wearing golf stockings. There are eighteen holes in them, nine in each and there seems little hope of the game ever being ended.

A RESIDENT of the United States says Canada is kept along their northern boundary to act as a filter through which immigration from other countries may pass. After a few years in Canada they make splendid American citizens, declares our friend.

LIFE is full of surprises. Some day the mill will be running and it is possible no one will kick about the way it is operated. That would be the greatest surprise.

THE way to enjoy an election is to have it in some other country.

THERE are several old timers

who when they read the leading story in today's paper are expected to go out and hang themselves. There is an old piece of hemp in the Daily News office if there is any scarcity.

PEOPLE are like owls. They hoot when there is nothing doing and then when something worth while happens they sit silent in the tree tops and let the other birds enjoy life.

WE get our cash from the States and give them men in exchange. Prince Rupert has already handed the U.S. a little quota of men, so now she has a pulp mill coming to her.

In these days of advancement it is too bad to have to scare up the ghost of Charles I. to aid us in a fight for Sunday music. That is what is being done in Vancouver.

THERE are or may be several candidates in the field for the mayoralty. Electors will have plenty of chance to win a prize in the big lottery.

THERE is to be a new paper published in Vancouver known as The Ladies' Mirror. If it is anything like the ordinary mercury backed variety it should show a lot of eugenic specimens, especially if looked into in the early morning.

Sport Chat

The standard of play set in the Senior basketball league this season in the first three matches so far played has left little to be desired from the standpoint of the fans who have been treated on each occasion to games that certainly have not been lacking in excitement and closeness. Tonight the Colts and Sons of Canada again go to the floor both confident of success. They have proved themselves so evenly matched that there can be nothing certain beforehand about the result. In the Ladies' League the Adanacs meet the Teachers and the Intermediate match will be between the High School and Grotto.
