DIARRHOEA and Vomiting

Doubled Up With Pains

If you are suddenly attacked with diarrhoea, dysentery, colic, cramps or pains in the stomach or any looseness of the bowels do not waste valuable time, but at once procure a bottle of Dr. Fowler's Extract of Wild Strawberry and see how quickly it will relieve you.

Mrs. Ernest Morris, 3 Webb St., London, Ont., writes:—"I take great pleasure in recommending Dr. Fowler's Extract of Wild Strawberry for what it has done for me.

Some time ago I took an awful violent headache, then started to vomit and felt so sick I could hardly stand it all day; towards evening intense pains came in my bowels and I was just doubled up the pains were so bad; the perspiration stood out like beads on my forehead; then the diarrhoea started and I really thought I was going to die.

My husband went to the drug store and got a bottle of Dr. Fowler's Extract of Wild Strawberry; he gave me four doses, at intervals, and by noon next day the diarrhoea had stopped and the pain was all gone too.

Now I will never be without 'Dr. Fowler's' in the house."

Price 50c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

Jim Sanford, an old timer of Prince Rupert, arrived in town after a five year stay in New York. Jim was originally interested in the crab business at Seal Cove. He is now renewing old acquaintances and says that in all his wanderings and visits to the wonder cities of Canada and the United States he has yet to see anything to beat Prince Rupert. It is Jim's intention to get started in some business, probably the fishing game, and remain here permanently.

The Somme in Port

The power boat Somme, Capt. Taylor, accompanied by his dog "Bones," arrived in port during the week from Kameleon Inlet, Grenville Channel, with a cargo of real "Irish Apples." Cap has been fruit and vegetable ranching down that way for the past couple of years and is all het up over the truck garden possibilities in his district. He claims that if the seeds are planted the right way up that anything will grow in the soil. To test this out he planted a couple of billiard balls and has already garnered in two excellent billiard cues and expects next year to obtain a fine crop of billiard tables. He says if anyone can beat that they are going some. Even Bones is endeavoring to grow bones by burying them.

At the meeting of the hospital board last night it was decided to appoint E. Unwin temporarily to make collections in settling up the nurses' home campaign and to audit the accounts. All notes are now due and the collector will be after the money.
