

Time to do the many things ordinarily put off on wash-day. For Rinso does not keep you standing over the wash-tub, rubbing until your back aches and your hands are red and sore.

Rinso, an entirely different kind of soap, soaks clothes clean. Rubbing and boiling are unnecessary. The big soapy Rinso suds gently loosen the most ground-ir dirt without weakening a single thread.

> NOTE: In hard water it takes from make good suds. In very hard water to a tub to get the big lasting sude that loosen all the dirt.
