BRINGING UP FATHER

FAITH HEALING OF DR. PRICE IS BEING CONTINUED EDMONTON

Number Declared by Evangelist to Have Been Healed; Eight Thousand Present

EDMONTON, Oct. 16.—Treatment of various forms of ailments by the faith healing method practised by Rev. C. S. Price, the evangelist, was witnessed by some eight thousand persons in the Arena. Some twenty persons of a large number who had applied for relief of sufferings were treated and with the exception of three practically all of them were declared cured by the evangelist.

The huge crowd that attended was undoubtedly the largest audience that has ever been housed in any one building in Edmonton. In the central part of the huge arena every available seat was taken, and the aisles were packed to the limit and hundreds were standing. Over two hundred ushers were kept busy for some time seating the crowds.

Crowds Refused Admission

After the building had been filled, the doors were closed shortly after the meeting started and additional police were called to keep back the crowds that attempted to gain entrance. It was estimated by he police that over two thousand were turned away.

The meeting was opened by singing a number of hymns. Dr. Price who was the only speaker gave a very interesting sermon illustrated by stories of Daniel in the lion's den, and others illustrating the power of faith. The speaker held the audience's attention for over a half hour when the healing of the sick was started. During the sermon there was absolute silence through the audience.

On Stretchers

Sick persons suffering from many different forms of ailments were before the platform, some being carried in on stretchers while a large number came in wheel chairs or on crutches.

One by one the persons to be healed mounted the platform, some assisted by persons in attendance. The persons to be healed stood before Dr. Price with an attendant on either side. Dr. Price then put his hands on the head of the person to be healed and said, "In the name of the Lord Jesus Christ I annoint you with oil that you be cured." In practically every case with the exception of three, the persons fell backwards and were assisted to the floor. The treatment for all of the persons who went on the platform was practically the same.

Rose to Feet

Some of the persons who had been treated rose to their feet a few minutes afterwards and walked off.

The nature of the diseases were not mentioned with the exception of the one case where a young man, with twisted legs who was suffering from the effects of paralysis. This man did not rise from the platform as the others and was still lying down in the same position when the meeting was finished.

Zam-Buk is a Blessing in the Home

CHILD'S TERRIBLE BURNS.—Mr. A. Summers, Postmaster of Geldhow, Sask, writes:—"Zam-Buk performed wonderful healing in the case of my little two-year-old boy who fell from his chair against a red-hot heater! One side of his face and his ear were just frizzled. I dressed the burns liberally with this soothing Zam-Buk daily. In two weeks Zam-Buk grew beautiful new skin."

FROST-BITTEN EARS HEALED.—"While going to school one morning I got both my ears badly frozen," writes Miss Mary Herrington, of Harewood, N.B., "They were swollen twice normal size and pained intensely. Fortunately I had some Zam-Buk on hand and applied it immediately I got indoors. The relief Zam-Buk gave was wonderful. It stopped pain almost immediately, and quickly took out the inflammation and swelling."

"ECZEMA ON THE HANDS caused me three years awful suffering," writes Mr. Angus Josey, of Spry Harbor, Halifax, N.S., "The intense itching kept me awake at nights. I had tried ointments and lotions without result before I got Zam-Buk. This wonderful healer quickly removed every trace of disease."

ZAM-BUK is magical for troubles like ringworm, cold-sores, abscesses, poisoned wounds, chilblains, piles, ulcers, etc., also for healing cuts, scalds and other injuries. 50c. all dealers.

WESTERN ROUTE FOR GRAIN IS ADVOCATED

Edmonton Paper Says Shipments of Alberta Wheat Become Necessity

One fact that is brought out clearly by the situation is that the westward shipment of Alberta wheat is coming to be a matter of necessity rather than of choice says the Edmonton Bulletin. Manitoba and Saskatchewan have 297 million bushels this year, against 310 millions last year. But Alberta has 149,000,000 bushels, against 65,000,000. If nine-tenths of the Alberta crop went to Pacific ports there would still be as much prairie grown wheat to pass through Fort William and down the lakes as went that way a year ago. If anything less than that portion of the Alberta crop goes westward, the lake route will have more wheat to accommodate than it had last year,—with less than half the lake tonnage to carry it if the U.S. vessels stay away. Should they continue to refuse to carry Canadian grain there is a real possibility that only a small fraction of the Alberta crop can get out via the eastern route this fall. The Manitoba and Saskatchewan crop is claimed to be nearly five times as large as the amount which the Canadian boats can transport in the normal carrying season, and as the grain from those provinces is first to go forward, it will be Alberta grain that is shut in if the blockade occurs. It may become for the Alberta farmer and dealer a case of shipping westbound or of not being able to ship at all.

Sport Chat

Badminton promises to become a popular sport during the coming winter. A new club was formed on Saturday night to initiate the game here and to provide quarters where club members may play during the winter months. The plan is to have a hall devoted wholly to the game. Two courts will be marked out and racquets purchased and many members will secure their own racquets. Some will play in the afternoons and some evenings and it is confidently expected that the game will engage a great deal of attention.

In addition to the new badminton club, the First B.C. Regiment athletic department will have a badminton court where the members will play the game. Other clubs may be formed and some healthy rivalry should result.

The sport of mountain climbing is still being considered. One of the school classes was to have climbed Mount Oldfield on Saturday had the weather been suitable. It is understood the event will take place soon. Other parties have been organized and plans were laid to climb the mountain back of Silver Creek on Sunday had the weather been more suitable. These long hikes are good sport and call for the display of a good deal of energy and enthusiasm. Usually they well repay for the effort.

It is over. The world series is complete and the Yankees carry off the honors. Immense crowds watched the matches at New York and the players have gathered in a good deal of coin.

Now there will be a lull in the baseball world until spring.

The next series of games which we like to read about but seldom see will be the ice hockey series on the coast.
