TURK ASSEMBLY REJECT LAUSANNE TREATY

FOURTEEN DAYS ON ICEBERG BEFORE BEING RESCUED BY NORWEGIANS

Turks Reject Peace Treaty and Demand Complete Independence and Evacuation of all Territory

LONDON, March 7.—The Turkish National Assembly at Ankara has rejected the Lausanne Treaty and the Turks have claimed responsibility for the result if the Allies insist on having either the letter or spirit of the treaty.

CONSTANTINOPLE, MARCH 7.—Advices received here from Ankara state that the National Assembly has decided that the Lausanne Treaty is not acceptable. The government, however, is authorized to continue negotiations on condition that the questions be settled in conformity with the complete independence of the Turkish nation and that all occupied territory be evacuated after the peace signatures are affixed.

MUSSOLINI OPPOSED GAMBLING IN ITALY

Allows Only State Lottery and Lotteries For Charitable Purposes

ROME, March 7.—Gambling has found no friends in the government of Premier Mussolini which, by a recent decision, has authorized the repression of the practice on the grounds that it does not promote a healthy morality in the nation and that Italian cities must find better means than "parasitism and vice" for their prosperity.

The Minister of the Interior, the portfolio of which is held by Premier Mussolini, has been given power to adopt severe measures to run down the gamblers and to abolish the traffic in any quarter where it may be found.

The regular government lottery, which takes place weekly and has been a feature of Italian life for many decades, will continue to function. Other lotteries for philanthropic and charitable purposes will be held from time to time when government regulations pertaining to them have been fulfilled.

Crew of Schooner Starved for Fourteen Days Living on Bergs and Signalling with Oilskins

ST. JOHNS, Nfld., March 7.—The crew of the British schooner A. B. Bartheaux was landed yesterday by the Norwegian ship Hauk which found them partly frozen and exhausted on an ice floe on which their schooner went to pieces. They dragged their lifeboat from floe to floe, flagging with oilskins atop of an oar by day and burning bits of oilskins by night in the hope that their signal might catch the eye of some passing ship.

For fourteen days they went without food, huddled together in the boat by night for warmth.

Captain Henry James may lose both legs on account of frost bites. Others are badly bitten by the extreme cold.

LEASERS OPENING UP MINE AT ALICE ARM

Esperanza Will Increase its Output of High Grade Silver Ore

It is expected that the Esperanza mine will shortly increase its output of high grade silver ore to a considerable extent says the Alice Arm Herald. Leases have been let to two more crews of men. Messrs. A. L. Loftus, J. Fiva, J. Lee and "Skookum" have taken a lease on the tunnel immediately above the Baldy tunnel, and commenced work on Wednesday. Messrs. T. Galfa, J. Freeman, and Angus McDonald have also taken a lease on another vein and started work. Wm. Hutchison and Chas. Brown who have been working on a lease in the Baldy tunnel are steadily taking out high grade ore, and Red Campbell and Angus McLeod, who are working in the upper tunnel, are working on a nice high grade vein and are well pleased with the results of their labor. The Esperanza Co. have no men now working in the mine, all work being done by leasers.

The Esperanza has shipped a considerable quantity of high grade ore in the past, and with the force now working at the mine it is expected that all previous records will be broken.

Radical Changes Are Recommended Report Fisheries Commission

Separate Portfolio, Gas Boats on Skeena, Reduction Oriental Licenses Forty per cent

OTTAWA, March 7.—Reorganization of the fisheries administration into a separate department from the marine with or without a separate minister but with a separate deputy minister and an efficient organization is recommended in the final report of the Duff commission on British Columbia fisheries. This was announced today. The report says: "The fisheries for years have been a political football kicked into the Marine department then into the Naval department and then back again into the Marine department. The industry does not at present receive the attention that its importance warrants."

The report recommends that the regulations preventing the use of motor boats for salmon gill net fishing in District No. 2 be amended to permit their use beginning with the 1924 season; that licenses to others than whites and Indian fishermen be reduced forty per cent; that Orientals who served with the Canadian forces receive preference in the issue of licenses to this class of fishermen.

The report also urges that Oriental naturalization papers show photographs and finger prints.

It reports the signing of an agreement at Washington closing the Fraser River to fishing for five years.

BODY OF MAN WAS AUSTRIAN

Left Vancouver for Victoria Last Saturday; Found Beacon Hill Park

VANCOUVER, March 7.—The body of the man found dead in Beacon Hill Park, Victoria a few days ago is believed to be that of C. Kuku, an Austrian, who came here a short time ago from Gull Lake, Sask. Friends of the man on West Vancouver declare that the description sent out from Victoria corresponds almost in every detail with that of Kuku. They say he left Saturday last for Victoria, saying he was going to visit friends.

The G.T.P. steamer Prince George, Capt. W. S. Moorehouse, is due from the south at 4:30 this afternoon.

HOMESTAKE MINE TO OPERATE THIS YEAR

Famous Alice Arm Property Carries Gold, Silver and Copper Ores

The Homestake Mining Company will undoubtedly commence operations on the Homestake property in the early summer, says Mr. A. Davidson, who is one of the owners of the property, and has just returned to Alice Arm from a trip to Vancouver. The company are keeping their payments paid up and have great faith in the property. The Homestake is situated at the Kitsault Glacier, and the last work done on the property was in the summer of 1921, and when the work ceased in October a good body of ore had been broken into, and the property looked very promising. The ore carries values in gold, silver and copper—Alice Arm and Anyox Herald.

FISHERMEN MAKE MONEY

Weather Rough on Halibut Banks but Catches Sell Profitably

It's an ill wind that blows nobody good. This applies to the halibut fishing game as well as anything else. Schooners arriving the past few days report very bad weather on the banks with the consequence that not much fish is coming in. However, the boats that have arrived have received high prices and some good profits have been realized recently.

Today four boats arrived with a total of 51,000 pounds. The two Americans received 19c and 19.2c for fish class fish and the Canadians 16.3c and 16.2c.

The arrivals were:

American
Gladstone, 20,000 pounds, at 19.2c and 19c, to the Atlin Fisheries.
Constitution, 20,000 pounds at 19c and 19c, to the Canadian Fish & Cold Storage Co.

Canadian
Cape Spencer, 7,000 pounds, at 16.2c and 9c, to the Canadian Fish & Cold Storage Co.
Cape Spear, 4,000 pounds, at 16.3c and 9c, to the Atlin Fisheries.
