It means stomach comfort, bodily vigor and mental buoyancy. Eat two Shredded Wheat Biscuits every morning with milk or cream and a little fruit. If you like a hot dish that is better than ordinary porridge, pour hot milk over the Biscuit, adding a little salt. Shredded Wheat requires no sugar-you get all the natural sweetness of the whole wheat berry. Contains all the nutritive elements the human body needs with just enough BRAN to stimulate bowel movement. Delicious with sliced bananas or other fruits.
