SALARIES OF
TEACHERS ARE
NOT CHANGED

Revision May Take Place in Sum-
mer it Was Announced at
Board Meeting

After considerable discussion
the school board last night decid-
ed to continue the present salary
schedule for teachers until the
midsummer holidays when there
will be a complete revision, al-
though not necessarily a reduc-
tion.

Prince Rupert salaries were
compared at some length with
Vancouver and it was found that
they are less than ten per cent
higher. In Vancouver principals
get from \$2,450 to \$3,360, where-
as in Prince Rupert the schedule
for principals varies from \$2,850
to \$3,610. The supervising prin-
cipal here is now getting \$3,270.
In Vancouver the vice-princi-
pals get from \$1,800 to \$2,400
and here the schedule runs from
\$1,880 to \$2,360. The male vice-
principal here gets \$2,100.

Grade Teachers
The rates for grade teachers in
Vancouver vary from \$4,320 to
\$4,800 for men, and \$4,110 to
\$4,680 for women. Here the
schedule is from \$4,200 to \$4,770
for both men and women, but
there is an addition provision of
\$50 a year for teachers in the in-
termediate grade, and another \$50
for junior fourth work.

The question of male or female
teachers was discussed and it
was reported that there was a
scarcity of male teachers.

Principal Brady of the High
School stated that in New Zealand
there were more male teachers
than female in the schools. In
the higher grades all were men.
Here the profession was not suf-
ficiently attractive to secure men.

Debated Question

Dr. Kergin said that this was a
much debated question. On the
one hand the woman who gave
equal service with a man seemed
deserving of equal pay, but on the
other hand a man who went into
the profession permanently got
married and usually raised a
family whereas the woman did
not have a family while engaged
in the profession.

Alderman Casey quoted some
figures based on the cost of liv-
ing as reported in the Labor Gaz-
ette to show that the average
teacher here has received no ad-
vances except such as were com-
ing, according to the present cost
of living.

S. E. Parker said he thought on
examining into the matter that
the present salaries of the teach-
ers were very little if any higher
than they should be. He was sat-
isfied to let them remain as at
present until the midsummer hol-
idays when there could be gener-
al revision if they so desired. He
moved a resolution accordingly.
He thought they were not justified
in making a cut. Efficiency
counted more than a few hundred
dollars.

Dr. Kergin said the teachers
would consider it unfair to reduce
their salaries now as under the
School Act they could not resign.
Any changes should commence at
the summer holidays.

Is Satisfied

George Casey was satisfied to
let the schedule remain as at
present until the holidays.

W. H. Montgomery said he
thought it was not fair that the
salaries should be higher than
last year. He did not think the
present state of the town war-
ranted it, especially in view of
the fact that the number of pupils
would be fewer. The present
schedule should go on until sum-
mer. Then they should if possi-
