LARGE ATTENDANCE ANGLICAN SOCIAL HELD AT TERRACE

Program Was an Excellent One and Archbishop Reviewed Work Since Inauguration

TERRACE, Feb. 6.—There was a very large attendance at the social held by the Anglican church in Progress hall, Friday evening and a splendid program was given. Rev. Gerald Dean Marsh opened the meeting with a short speech. This was followed by an excellent piano solo by Mrs. Atwood. Mr. MacIntyre gave one of his popular songs. The old-timers especially appreciated hearing Mr. Hepburn recite again. Misses Gladys Kenney and Mary Wilson gave a very enjoyable duet. Marjorie Atwood a new little artiste made her first appearance before a Terrace audience when she danced the Highland fling. Miss May Burrisson who rendered a violin solo was another young artiste taking part.

Rev. W. J. Parsons and Rev. J. H. Young who were to have given brief addresses were unable to be present and sent their regrets.

Archbishop DuVernet gave a brief outline of the work here since its inception, giving Mr. Marsh great credit for all he had done.

The meeting was closed by singing God Save the King.

Over one hundred and fifty were present and everyone had a most enjoyable time.

WANTS INVESTIGATION OF UTILITY CHARGES

Ald. Mackenzie Introduces Resolution With a View to Lower Light, Telephone and Water Tolls

Ald. Mackenzie at last night's council meeting introduced a resolution asking for a thorough investigation into the present light, telephone and water charges with a view to making reductions. There was no seconder to the motion, however, and discussion was out of order. Mayor Newton suggested that the time for such a resolution might be more opportune at a later date when the new superintendent of utilities had established himself in office. Ald. Macdonald said that the matter was already under consideration by the Utilities Committee.

It is customary for such resolutions to be posted on the notice board but this was not done in this case.

COLDS ARE ENEMIES OF HEALTHY LUNGS

A Neglected Cold is Always Looking For Mischievous

It may start in the head—nothing unusual—just an ordinary cold, but that is just the cold, because you neglect it, which sows the seed of lung troubles. Prevention is far better than cure. The cold can be cured and other more serious ailments thus prevented. Anyone suffering from a cold, however slight, should take prompt measures to break it up.

You cannot do better than take Grip Fix, which has an unrivalled record of success in cases of either cold or grippe. Grip Fix does its wonderful work in a single night. It tones up the system, takes away the fever and relieves the soreness. It is compounded of the same pure drugs which every physician prescribes, which are stated on the box. Grip Fix, however, comes in a capsule form that is ideal for home use. It can be given to children without the slightest fear of harm.

Once you have tried Grip Fix, you will keep it as a friend in need whenever you or another has a cold. On sale at Orme's Drug Store Ltd. 35c a box.

Funeral Took Place Yesterday From Terrace to Kitsumkalum Cemetery

TERRACE, Feb. 6.—Elsie Danhaver the seven year old daughter of Mr. and Mrs. Danhaver, of Copper City, died at the Hazelton hospital early Monday morning from peritonitis.

Rev. W. J. Parsons took her to the hospital on Wednesday night's eastbound train which did not reach Hazelton till 6 p.m. Thursday. Dr. Wrinch pronounced the case very serious from the first.

The funeral took place from Terrace Monday afternoon to the Kitsumkalum cemetery.

The sympathy of the community is extended to the bereaved family.

Sport Chat

Radiographing can hardly be included in the category of sport but it has been providing a lot of fun and recreation for many Prince Rupert citizens this winter. To while the dull evening hours away more than one set has been installed in the city during the past few months and the results obtained have been very gratifying. While the actual results of the fad are usually enjoyed on the inside the fans have also had a lot of exercise into the bargain as young Peter Black, who climbs that ambitious aerial on the top of the Central Hotel, Jack Barnsley, who takes his life in his hands shunning up his pole on Graft Hill, Bob Arthur, who spends rainy Sundays on the bluff back of his store repairing and improving his mast, and others will testify.

The feature of tonight's basketball program at the Exhibition Hall will be the Intermediate match between the Knights of Columbus and the Golts. The latter are now leading the League with six victories and three losses and will be well away at the top if they are able to come through with victory tonight. The K.C.'s, on the other hand, with five wins and four defeats to date, will be even in the leadership with their opponents if they are successful in winning out. There has been a great deal of interest this season in the Intermediate League on account of the closeness of the teams and this gives promise of being well sustained until the whole time table is played out. In the Ladies' League the Adanaes play with the Kaiens to even themselves up with the Maple Leafs by winning. The Golts and Sons of Canada also meet in the last Senior fixture of the season.
