Her Heart Skipped Every Third Beat

Mrs. James Burleigh, 248 King St. E., Chatham, Ont., writes:—“I think it my duty to let you know what Milburn's Heart and Nerve Pills have done for me.

I suffered for years with palpitation of the heart, my nerves were very bad, and I could not be left alone at any time. I doctored for over a year, and the doctor said my heart was very bad as it skipped every third beat.

I gave up, just at this time, and then my mother advised me to try Milburn's Heart and Nerve Pills, saying my eldest brother had been relieved by using them when he was very bad with his heart and nerves. I got a box and started to take them, and when I had used it I felt a lot better; could sleep a little and felt stronger. I continued taking them for about three months, and felt better than I had for years.

When I think of the misery and suffering I went through before I started Milburn's Heart and Nerve Pills, I feel like letting everyone know what they did for me.”

AN explorer tells of a native tribe on the Amazon ruled by women. He did not need to go that far. He might have visited British Columbia or even Prince Rupert and found the women holding the men in the hollow of their hands and twisting them around and making them dance like puppets in a show.

THERE are said to be countries where women do not rule, but they are so far unexplored.

For PERFECT HEALING— It's ZAM-BUK EVERY TIME

ULCERS & OLD WOUNDS. “Ulcers broke out on my right ankle, and the whole leg was full of inflammation and pain,” says Mr. Edward Bingham, of 118, Brant Avenue, Brantford. “I could neither wear boots nor shoes, nor could I move about at all. “Lotions, salves and ordinary ointments seemed unable to touch the ulcers, but the very first application of Zam-Buk was soothing and cooling. As I kept on with Zam-Buk, the swelling, inflammation and discharge was thoroughly subdued, and the sores were gradually and permanently healed with firm new tissue.”

ECZEMA, RINGWORM, Etc. “A nasty patch of eruption,” writes Mrs. W. Adams, of 489, La Salle Road, Montreal. “started on my little son's neck and spread rapidly until his body was entirely covered. The boy was treated at three different hospitals and at last the doctor pronounced the disease incurable. Five years elapsed from the sores first appearing when a friend got me to try Zam-Buk. This great herbal balm brought a marvellous improvement. My boy got better and better until after four months Zam-Buk treatment his skin was absolutely cleared of every sore and eruption. There has never been the slightest sign of disease since.”

EVERYDAY INJURIES. “I gashed my fingers very badly with a piece of tin,” says Mrs. S. CBE, of Melville, S.D. “I received doctor's treatment but the throbbing and swelling spread right up into my shoulder. So long as I live I shall never forget the relief experienced the first time I applied Zam-Buk. The swelling was reduced rapidly and before long Zam-Buk had drawn every bit of inflammation and poisonous matter out of the wound and effected perfect healing.”

THERE'S NOTHING TO TAKE THE PLACE OF Zam-Buk

THERE'S NOTHING ELSE soothens and heals so speedily as Zam-Buk when skin is cut, burnt, scalded, chapped or bruised.
