VICTORIA HAS AN AMUSEMENT CENTRE SCHEME

C.P.R. Proposes to Erect and Operate Swimming Baths and Other Facilities

ASKING CONCESSIONS

VICTORIA, Nov. 22.—The citizens of Victoria will be asked to express their approval of bylaws affecting the Empress Hotel, and the proposed amusement centre on the stadium site behind the hotel.

Negotiations which have been in progress since February reached fruition when on behalf of the Canadian Pacific Railway, Basil Gardom, engineer in charge of construction for the hotel system, met Mayor Hayward, Alderman Todd, chairman of the committee, and City Solicitor Pringle.

The company offers to build, commencing at a date not later than December, 1924, a permanent building of ornamental design on the Stadium site, which it is proposed to be leased by the city for that purpose for a twenty-year period. The company undertakes to place in the building a salt water tank 150 feet by 60 feet, two dancing halls each larger than the present Empress Hotel ballroom, a gymnasium, a bowling alley, squash and racquet courts, restaurant and such other rooms as may be needed. The whole building is to be 240 feet in frontage and 94 feet in breadth.

The company undertakes to improve the grounds, and manage and operate such building continuously during the life of the lease, and to replace the buildings in case of fire or similar damage.

The city on its part is asked to aid the company in securing fresh water, in obtaining a pumping station on the foreshore at Beacon Hill and aid the objects of the centre in such ways as from time to time may occur.

Four Bylaws

The company asks the citizens to approve of four bylaws, which will have to be drawn up after an agreement has been made between the city and the company, to give effect to the negotiations.

These bylaws are:

1—To continue the fixed assessment on the Empress Hotel, which will expire in December, 1924, for the life of the new lease, namely, in December, 1944.

2—To continue the water rate set under the bylaw voted upon by the ratepayers for the Empress Hotel property for a period of twenty years from December, 1924.

3—To approve a lease from the city of the stadium property for twenty years, with exemption from taxation in that period.

4—To supply domestic water to the amusement centre, subject to such circumstance as may arise from time to time in the city waterworks.

HEART WAS SO BAD HAD TO SIT UP IN BED

Mrs. O. E. Fitzgerald, 166 Ross St., St. Thomas, Ont., writes:—"In the Fall of 1921, I was taken ill with my heart, but did not pay much attention to it. I kept on with my household duties, but seemed to become worse and worse, and finally had to call in a doctor. He said I was all run down and was a nervous wreck. I had a severe pain in my chest which would move over to my heart and it became so bad I could not lie down, as when I did I had such a smothering feeling I would have to sit up in bed till it passed away.

I tried several remedies, but with no good results. Finally, I was induced to try Milburn's Heart and Nerve Pills. I took 7 boxes, and I am now as well as I was 20 years ago, and I am now 45 years old."

Milburn's Heart and Nerve Pills are 50c. a box at all druggists or dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
