BUCKLEY BAY PEOPLE VISIT NEW MASSETT

Holiday Celebrated With Sports and Games With Dance at Close

BUCKLEY BAY, July 11.—With glorious weather and the ever effervescent 1st of July holiday feelings the residents of Buckley Bay started out Sunday morning for a two day picnic to New Massett. The boat trip which took about 3 1/2 hours was most enjoyable, with the glassy water and the merry making of the happy throng aboard, mingling with the gentle zephyrs as they puffed by made one realise that the pangs of war have now passed away and people are again able to bring back those prosperous days that used to be.

Sunday was spent very quietly, the picnickers enjoying the beautiful walks along many trails in and around this healthful resort.

On Monday afternoon an excellent sports program was provided. The sports ground which was excellently laid out by the New Massett residents, presented a spectacular picture and with the gorgeous summer dresses and the bright sunshine the merry makers were enjoying the best time ever experienced in New Massett.

The picnic was brought to a close with a dance in the parish hall after which the large party returned to Buckley Bay once more, refreshed and with renewed vigor to play their part in adding to the prosperity of this sawmill town.

BRINGING UP FATHER

ELKS STAGE GAME FOR CHILDREN'S FLAG DAY AND DANCE FOLLOWS

ANYOX, July 11.—The most important event in Anyox circles during the past week was the return game of baseball between the single and married ladies. It was a game full of thrills and a large crowd turned out and contributed liberally for the sport enjoyed. The game was under the auspices of the B.P.O.E. in aid of the Children's Flag Day which is celebrated every year during the early part of August. The "Brother Bills" do things up in style on this particular day, the "doings" requiring considerable cash. The collection for the ball game netted them over eighty dollars.

The single ladies again proved themselves the better ball players, and won easily, although at times the married girls showed bursts of speed and threatened all kinds of things. Batteries were: Married ladies, Mrs. O. K. Dwyer and Mrs. L. Wenerstrom, Single ladies, Victoria Deane and Gladys Bashleigh. Umpire, Olson. After the ball game, the crowd found their way to Elks Hall where a dance was in progress, the proceeds to be devoted to the same object as the game—Flag Day.

BOXING BUCKLEY BAY

BUCKLEY BAY, July 11.—The boxing fans of Buckley Bay were again presented with an excellent six bout program at the last Saturday night bout, and judging from the hearty applause the boxing science and the good portsmanship which were displayed by the contestants were greatly appreciated. The contestants were:

Bill Davies beat J. Rodgers. Lory Bryden vs. Jim Hastie, draw.

Dave Hastie vs. Terry Paxton, draw.

Frank Ferguson beat Fred Parker, W. Hill vs. U. Casault, draw.

H. Little beat Tubby Morgan. Bud Portelance and W. S. White provided excellent music during the intervals.

Sport Chat

Johnny Kilbane, world's featherweight boxing champion until he met Eugene Criqui recently, is about to settle down to the life of a business man. His friends estimate his financial assets at a quarter of a million dollars. "No more fighting for," says Johnny. "I can't fight any more anyway. The old pep was gone in the Criqui fight. My hands were bad and I had nothing, while to meet a little fighter of the Criqui type you need everything. I appreciated the way my friends rallied around me after I was beaten. When I returned to Cleveland 11 years ago after beating Abe Attell for the championship, 100,000 people met me at the depot. A few hundred of my friends met me when I returned from the Criqui fight. They were downcast but I want them to know I am not at all blue. In fact, I am glad I am no longer champion."

New York still leads in both the big baseball leagues. The Yanks have a long margin of 25 games in the American League over the runners-up, Connie Mack's Athletics who, after nine years in the swamp, are fighting with Cleveland and Detroit for second place. In the National League, the Giants are leading but are being given a close run by the Pittsburgh Pirates with

Cincinnati not far behind. Boston and Philadelphia are occupying the cellar positions in the respective leagues.

The local baseball team which will accompany the Orange Excursion to Terrace tomorrow will consist of four Senior players—Roy Gilmour, W. Lambie, S. Bazett-Jones and A. Mitchell—and five Intermediates from the Colts—D. Frizzell, G. Blyth, J. Sims, J. Kelly and T. Fraser. A game is to be played with a Terrace select team.

On Shelby when the sun was low we saw Tom Gibbons in a glow. But Dempsey scoting with the dough From Shelby, grinning merrily.

But Shelby saw another sight. When western stars came out to fight, The men who backed with cash in this fight In future they'll act warily.

BUCKLEY BAY

R. H. Marlat, manager for the Massett Timber Co. Ltd. at Buckley Bay, has returned after an extended trip in the south where he visited several of the plants who utilise the lumber products exported from the sawmill at Buckley Bay.

Mrs. Dr. J. A. Briggs is going East to spend her summer vacation with relatives. She expects to be away about three months.

ANYOX

The death of Robert Lindsay occurred recently. Mr. Lindsay was visiting the site of the new dam with some friends, and on the return while still on the trail died of heart failure. He was buried in the local cemetery, the Rev. J. Herdman officiating at the burial.

On two occasions recently the stork visited Anyox Hospital. To Mr. and Mrs. George Kinrade, it brought a son; likewise a son was shortly afterwards presented to the family of Mr. and Mrs. P. Stevenard.

A late marriage was solemnized at the home of P. Stevenard a day or two ago, when Hugh Hackett of the heating plant was married to Miss Dora Rostell of Vancouver. The service was performed by Rev. J. Herdman, pastor of the Union Church.

Mrs. W. Hoffman and family left for the south by last Grand Trunk boat. Mrs. Hoffman has been president of the P.T.A. since its inception, and will be greatly missed in Anyox school circles. She will join her husband at Allenby after a holiday spent in the Puget Sound country.

A large number of Anyoxites are leaving for their summer camps at Alice Arm. Among those already there are Principal and Mrs. Manzer, Mrs. G. Willescroft and family, Mrs. L. McAllister and family, Mrs. F.
