ENTERTAINED BY TEACHERS

Trustees and Members of Rotary Club Guests at Hollow E'en Party

It would be difficult to conceive of a more enjoyable hollow-e'en party than that given last night in the Booth School where the president and members of the Prince Rupert Teachers' Association entertained the school trustees and members of the Rotary Club. Not only was the assembly hall decorated becomingly with the emblems of the season but the diningroom, the halls and everywhere about the buildings had an air of mystery. Witches pervaded the very air, black cats were everywhere, and fairies were seen by many of the visitors.

On arrival visitors were conducted to the dressing rooms by members of the witch's band and marched upstairs to the big assembly hall where they were received by the President and vice-president of the association, Misses Macdonald and Stone. The guests were then each presented with a sheet of crepe paper, a packet of pins and suitable hat trimmings and told it was the first duty to make the hat to be worn throughout the evening. Needless to say, some wonderful creations resulted. This was followed by an autograph contest.

Five Groups

When all had arrived the guests were divided into five groups according to the color of their hats and each group was assigned a duty. One was given a bundle of clothes and was told to prepare a charade while each of the other four was given a song to write which had to be sung by them when completed. The results were very wonderful. The charade was the piece de resistance. Each of the group was rigged out as a school pupil and they showed marvellous histrionic powers in the three impromptu sketches they put on. At the close S. J. McLeod, was awarded the prize for the best sustained character. The group was captained by W. E. Williams.

The other groups composed their songs well and sang them with much expression. One produced a delightful ballad entitled "Lizzie Ford" and sang it to the tune of Yankee Doodle, another composed an ode entitled "Jiggs and Maggie" and this sung to the tune of "Sweet and Low" was "just too sweet for anything." The pathetic ballad "Sea Sickness" made a hit because of its realistic production to the mellow tones of "Old Black Joe," sung with appropriate action. This was the prize winner. "Deer Hunting" to the tune of "Sweet by and by" was the only encore of the evening and it is thought is was due to the soaring tenor.

A sketch entitled "The Wrong Flat" showed a jealous lover shooting his rival and after he had killed him discovering that he had entered the wrong flat and shot the wrong person.

Balloon Race

One of the exciting parts of the entertainment was a baloon race in which representatives of the schoolboard, the teachers and the Rotary Club took part. The race was won by the trustees and some of the spectators were unkind enough to remark that it was because they were politicians. It was a race in which the participants had to blow a colored balloon along a copper wire.

Supper was announced, but before reaching the supper room the visitors were conducted through the dark halls where were weird visions, vanishing ghosts, screaming sprites, rattling skulls and similar horrors but all passed the test without any casualites and the scene that awaited them in the supper hall was ample reward for any of the trials and tribulations experienced in getting there. The tables were appropriately decorated and at each place was a magic candle from which the guest was to tell his own fortune. Six high schools girls dressed in white acted as waitresses and the dainty delicacies served were an indication that some of the teachers, at any rate, have missed their calling. It was suggested by the visitors that there might be raids on the ranks before long if the abilities of the teachers along this line became generally known.

Prizes Presented

After showing the men the petrified mummy all assembled once more in the hall where the prizes were presented, community singing was led by Jimmie Mitchell and addresses were given. Principal Brady of the high school extended the welcome of the teachers to the visitors and replies were made by Dr. Kergin and Dr. Grant on behalf of the Trustees and the Rotary Club respectively.

The prize winners in the various events were:

Best trimmed men's hat, Sid. Johnson.

Best trimmed ladies' hat, Mrs. S. E. Parker.

Best group song, group led by Fred Stork.

Best actor, S. J. McLeod.

Throughout the evening there were many comments on the good taste and ability shown in the decorations and the excellence of the supper and general arrangements.

After the singing of the national anthem the guests regretfully dispersed.

SAVED FROM PNEUMONIA BY VICKS

Manitoba Mother Renders Unusual Tribute

Mrs. A. J. Jenner, 629 9th Street, Brandon, Manitoba, writes: "I cannot say enough for Vicks VapoRub. It saved my little boy from pneumonia and my husband from a reaction of pleurisy. I was with a friend of mine one evening and she put Vicks VapoRub on her six-months' old baby and it saved its life after all other things had failed. Believe me, I never want to be without Vicks in my house. I have five children and am always needing it."

Dr. Osler says pneumonia has taken the place of tuberculosis as "Captain of the Men of Death," to use a phrase coined by old John Bunyan. And influenza is not far behind. The germs of both diseases are constantly with us. The only reliable protection against them comes from good health. To avoid these dangerous diseases in winter, don't let yourself get run down and above all never neglect a cold. Break it up in its early stages with Vicks VapoRub, the external vapourizing treatment for colds.

At all drug stores, 50c a jar. For a free test size package, write Vick Chemical Co., 344 St. Paul St., W., Montreal, P.Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.

JOHN DORE ACTING SUPERINTENDENT OF YUKON TELEGRAPHS

Permanent Appointment Will be Made by Civil Service Commission, J. T. Phelan States

While John Dore of Prince Rupert is acting district superintendent of Yukon Telegraphs, a permanent appointment will have to be made by the civil service commission stated J. T. Phelan, superintendent of the system, this morning on being questioned as to who would succeed F. W. Dowling in this district. It may be some time yet before the appointment is announced.

Asked as to the position of the rumored amalgamation of Canadian National and government lines in the north, Mr. Phelan said the project had yet reached no definite aspect. There would have to be much negotiation before anything was done.

Mr. Phelan has just completed an inspection of the government telegraph and telephone system in the interior. He reports that the 12 mile telephone extension from Vanderhoof to Chilco has just been completed and connected to the Vanderhoof telephone exchange which is an up-to-date innovation and a credit to the town. The government has similar exchanges serving the towns of Smithers and Hazelton.

Mr. Phelan will leave for Vancouver tomorrow night.
