BASKETBALL LEAGUE TO USE ELKS' HALL

Venue for this Winter's Game Chosen by Executive—Season Will Open on November 16.

The Elks' Hall was chosen last night by the executive of the Prince Rupert Basketball Association as the venue for this winter's league games. The season will open on November 16 with three games — Intermediate, Ladies' and Senior—and a dance will follow the playing of the matches.

There will be two groups of games a week this winter on Mondays and Fridays. The Intermediate match will be the first each evening, Ladies' second and Senior third. Playing rules to govern the season were also adopted last night.

The date for receiving of entries was further extended until next Tuesday night as the 102nd Regiment is expected to place a team in the Intermediate League. The schedule will be drawn up next week.

Those attending last night's meeting were Fred Gilhuly, president; P. Laporte, vice president; Harry Breen, secretary-treasurer; Harry Love, representing the Sons of Canada; Gordon Bulger, Colts' Intermediate; Dido Gurvich, High School; J. Campbell, Grotto; D. Graham, Maple Leafs; E. Craggs, Kaiens, and George S. Russell, Colts.

Sport Chat

After a highly successful season's activities, the Smithers Athletic Club at its annual meeting last week was able to report a cash balance of $200 in spite of the fact that several heavy expenditures were made. Baseball, football and tennis had been successfully carried on, the secretary reported, and there had been several inter-town games. Plans for the winter include the staging of basketball and badminton games. Officers were elected as follows: President, Al. Finnerty; vice-president, Norman Kilpatrick; secretary, H. G. Windt; treasurer, George Heffernan; executive committee, S. Gazeley, J. G. Stephens, J. E. Kirby, H. C. Lifton and C. Warner.

The season's clean-up in Alaska has panned out a new fish story. It has been discovered that large rainbow trout from two to seven pound eat mice in July, August and the first half of September. The trout do no go over the fields catlike but lie along the cutbanks of rivers and lakes until mice come trotting along. Then they jump at them and gulp down the delicacy. While cleaning large fish for a camp of workers along the Alaskan railroad, kitchen helpers discovered mice and rats in various stages of digestion in the stomachs of many. Old woodsmen have long known of the trout's peculiar summer appetite.

The Pacific Coast Hockey Association League season will start at Vancouver on November 12 when Seattle meets Vancouver. Last year's interleague contests proved so popular that they will be repeated this winter. In the course of the season, each team of the Western Canada Hockey League will have a double "home-and-home" series with each coast club. There will be two games a week regularly and sometimes three. The season will close with Victoria at Calgary on February 27. There are three teams in the coast league—Vancouver, Victoria and Seattle, and four in the prairie league—Saskatoon, Edmonton, Calgary and Regina.
