At the smelter from Oct. 22 to Oct. 28 inclusive, 16,888 wet tons of ore were treated at Anyox. This tonnage was made up as follows: Hidden Creek ore, 16,164 tons; outside ore, 724 tons. Average price of copper for the week, 12.529c.

ALICE ARM

J. Strombech has returned to town from the Toric property where he has spent considerable time this year doing development work. A strike of ore which was made gave exceptionally high returns of 9,000 ounces of silver per ton. The Toric is quite near the Dolly Varden and would probably ship ore if the railway were operated.

A fire broke out in the Kitsault House last week but the energetic efforts of volunteer fire fighters prevented the conflagration being attended with serious results.

A ladies' gynasium class is being conducted under the tuition of Mrs. R. F. McGinnis. It has weekly meetings.

The first fall of snow appeared last week but it quickly melted.

S. F. D. Roe has arrived here from Kamloops to assume the managership of the local branch of the Royal Bank of Canada. S. Harper, who has been relieving here for some time, proceeded to Prince Rupert on the Cardena on Monday and will later go to Vancouver.

The Granby gasoline tug Cuprite was here last week. It returned to Anyox with 40 tons of ore from the Esperanza Mine and 18,000 feet of lumber from Al Falconer's mill.

Sport Chat

The Commercial Grads, Edmonton's star ladies' basketball team, have emerged victorious from a long series of games with various cities of the United States and Canada including London, Toronto, Cleveland and Chicago and have earned the right to compete in the basketball games at the Paris Olympiad next summer. They will uphold the honor of Canada against all other contending nations and, judging from the records they have made this winter, they will have as good chances as any of their opponents in their ambition to bring the world's championship basketball honors to the Dominion. Winning their last game from Warren, Ohio, national champions of the United States, last week, the Grads completed a season with a record of twenty consecutive victories.

Boxing champions must defend their titles in bonafide championship bouts at least every six months under a new championship ruling adopted by the New York States Athletic Commission. Failure to do so will result in indefinite suspension for the champion and possibly the forfeiture of his title. Forfeiture of titles will apply chiefly to cases where a champion is unable to make his class weight or is adjudged to be otherwise unable or unfit to defend his crown. Henceforth in cases of forfeited titles the commission will conduct a tournament open to all contenders and award the title to the winner.

The Grotto Athletic Club has sent away for a copy of the international boxing rules and, in future, all contests held under its auspices will be governed by those rules. Thus it is hoped to avoid such disputes as arose in connection with the main bout at Monday night's tournament.

The game of Badminton is being taken up with enthusiasm at Metlakatla and promises to find much favor among the young people at the village. The club there has placed an order for complete equipment for the staging of games.

SHOT BIG MOOSE IN NEIGHBORHOOD HUTTON

Largest moose every seen in the district was the verdict of the residents of Hutton when Gordon S. Wood, the local druggist, brought in the head of a bull moose which he shot five miles from Hutton station says the Burns Lake Observer.

The moose weighed 1,100 lbs., was 6 feet 3 in. high at the shoulder, had a 19 inch bell, antlers wtih 23 points and a spread of 45½ inches. The weight of the head is over 100 pounds. Mr. Wood was accompanied by his cousin, W. A. Gow, of Hazelton, and during their five days hunting trip this was the only moose they saw.

Dale L. Pitt, manager of the Premier mine, and Mrs. Pitt arrived yesterday afternoon by the Cardena from Stewart and are registered at the Hotel Prince Rupert. They are sailing for the south on the Prince George tomorrow night.
