Police Discovered How Valuable Lingerie Disappeared from Winnipeg Store

WINNIPEG, Nov. 1 .- This is a modern fairy tale about a magic loak. It belonged to Margaret Wade, recently of San Francisco. Margaret arrived in Winnipeg Denmark at Current Rates [ with the magic cloak and started ] out right away to see whether it had lost any of its mystic qualities on the trip from the coast: To this end, she went into a large palace on Portage Avenue, full of beautful clothing and jewelry and lawnmowers and al! the other things you will find in department stores, which was what the palace really was.

And, sure enough, the magic cloak was working. As Margaret walked down the aisle of the ladies' wear department, an astounded attache of the palace noticed that silk lingerie and things were disappearing from their counters with incredible rapidity. Thereupon, the attache hastened to the chief of the West. Several standing signs will use the premises in the afpalace guard, which is to say, the took journeys.
