Objects to Scheme of Attorney General Rustgard Connection With This Port

Says the Seward Gateway: At Vancouver, Attorney General Rustgard announced to a Canadian audience that "Alaska was going to make a fight before congress to have Prince Rupert made its principal port by deleon of the so-called Alaska lanse from the Jones coastwise shipping bill," meaning in other words that Alaskans were to build up a foreign port and foreign shipping at the benefit of American shipping. We do not believe that Alaska is behind Mr. Rustgard's statement, especially if hey realize the far-reaching effect it would have upon southwestern Alaska. It was Attorney General Rustgard who a few years ago caused \$100,000 to he appropriated by the Territorial legislature to be used in establishing a line of government vessels from Seattle to Seward or some other northern port. The demand for retraction. After greater part of this money was some delay Mr. Pooley withdrew spent by a Seattle attorney whom the attorney general hired to asditions in Prince Rupert should sist him in shifting the small volume of trade from America to Canada.
