AN OPEN LETTER - - -From Your Christmas Store

If you are one of the many people that experience difficulty in selecting both useful and novel Christmas gifts we feel sure that this Christmas message will interest you.

In our store we have made preparations for a popular price Christmas, and for that reason you will find well selected gift merchandise at prices which will accommodate the modest pocketbook as well as those interested in more elaborate things.

We must confess our inability to describe in this letter the many delightful presents on display; but there are presents for mother and dad, sister and brother and sweethearts, too. Perhaps you have felt that jewellry store gifts were just for the fortunate few, but we hasten to assure you that we welcome you to our shop. Come in, feel at liberty to look at everything without being pressed to purchase. It will be a pleasure to show you the gracious and beautiful things which are suitable for the many names on your Christmas list.

Jewellry, silver, glass and china will appeal to mother. We have personal things for men such as leather-goods, smokers' needs, handsome toiletware including baggage and accessories. Rings are always favored while nothing could be more practical than a watch for someone in the house. Doesn't it all sound exciting? Here is your Christmas store ready to serve you. Will you not drop in?
