Had Constipation for 6 Months Was Relieved by Milburn's Laxa-Liver Pills

A free motion of the bowels daily should be the rule of everyone, then there will be no constipation, sick or bilious spells, heartburn, foul breath, sour stomach, etc.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, thus making them active and regular, removing the constipation and all its allied troubles.

Mrs. R. G. Hunt, Port George, N. S., writes: "I have been troubled by being constipated for the last six months.

"My tongue has been terribly coated, so much so that it made my breath bad. I was talking to a friend about it, and she advised me to use Milburn's Laxa-Liver Pills, which I did, and now I am perfectly well. My tongue is as smooth as it was before I got that way, and I owe it all to your Pills, of which I only used two vials."

Price 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

C.P.R. steamer Princess Mary, Vancouver for Skagway, is due in port at 4.30 this afternoon.

RELIGION A MATTER OF NATIONALITY SAYS LANGUAGE PROFESSOR

TOKIO, May 14.—Just as Buddhism and other Oriental cults will never spread extensively to Occidental nations, so Christianity will never become firmly established among the countries of the Orient, according to Dr. Sylvain Lévy, professor of Oriental languages at Strasbourg University and the College de France, who recently arrived here.

"The religion of a nation depends on the average temperament and intelligence of its people," said Dr. Lévy. "Christianity in its demand for active participation in affairs of the nation is best suited for western countries. Likewise, Buddhism, Brahmanism and other Oriental religions, with their basic principles of contemplation and meditation, fit best into the scheme of things as typified in the less strenuous life of the Orient."

Dr. Lévy claims that Buddhism is by far the most strongly established in Japan and the religion best suited to the people of this country.

Grow Bigger Better Sweet Peas

Most gardeners can grow an abundance of sweet peas, but they can't all get the beautiful large strong looking blooms that everybody likes. The only reliable method is to nourish the plants to grow strong and healthy by using FERTABS.

FERTABS feed the plant only. No waste and less weeding than when you use a bulky fertilizer. Use them for all your plants—flowers, fruits and vegetables. You'll get a bigger and better growth, and if you market your crop it will mean bigger profits.

Buy them where you buy your seeds.

A working comrade for the young wife

IT'S a wise bride who begins housekeeping with a Kootenay.

The Kootenay oven makes it far easier to succeed with baked dishes and desserts taken from the new cook book. The firebox and the grates are easy to operate—a great saver of time and patience. And what a wonderful oven—Armco iron, white nicked inside!

McClary's dealers everywhere are displaying the new improved Kootenay. Ask to see it, and learn how it saves time and fuel.

The Enamel-Clad Flues — No Rust

The points most liable to rust in a steel range are the flues and smoke box. In the Kootenay these vital parts are Armco rust-resisting iron "enamel-clad." No other range has this durable construction.

PACIFIC MILK is Popular here

We have no statistics showing what success other British Columbia manufacturers are having among their home people, but we can only hope their product is patronized here as generously as Pacific Milk. We are grateful. We have never depended upon the home-industry principle, but have done our best from the start to deserve patronage.
