Complete Auditor's Report on Booth School Building from Inception to its Completion

The report of the auditors, Rorie and Small, on the audit of the accounts of the School Board in connection with the construction of the Booth School shows the total cost of the Convicted of unlawfully shoot- building to be \$292,128.90, this amount including the recon- announcement says 23,000 pering with intent to do grievous struction account for \$49,998.56. The report goes into consid-sons were killed and 40,000 inbodily harm, Jack Stanyer, offerable detail and shows where all the money was used, including by the bills for supplies and labor. It follows in full: To The Chairman,

Board of School Trustees. Prince Rupert, B.C.

In accordance with the request contained in your Secretary's out of the ruins. In Yokohama Ackland of the Canadian Mounted letter to me of 15th February last, I have examined and audited the estimate of the number of the accounts of the expenditure made by the Trustees in connec- dead is very conflicting. Many of tion with the construction and building of the School known as the refugees from Tokio who went to shooting unlawfully with intent Booth Memorial School, and also of the additional expenditure Ueno Park and found neither food made in connection with its reconstruction.

The record of these expenditures is contained in the books of committed suicide. the Corporation of the City of Prince Rupert, and the period over which my examination has extended is in the case of the "Construction Account" from May 1919, to 28th February, 1923, and in the case of the "Reconstruction Account" from 1st March, 1922, to STOP PASSIVE

I find that the total expenditure on these respective accounts up to 28th February, 1923, is as follows:

On Construction Account \$242.130.34 "Reconstruction Account 49,998.56

8292.128.90

In connection with these accounts of expenditure. I have to report as follows:

These sums as they were re- Terrace, Hazelton, Smothers, ceived were deposited in a Savings Bank account, and earned Telkwa, etc. At Smithers next \$166,54 of interest.

Architect's Fees.

The total amount paid to the Architect, J. W. Potter, is was a little too clear for the best \$5,000.00. The commission agreed to be paid to him was fixed by PROMINENT PARTY the Trustees on 13th May, 1920, at 5% on the first \$100,000 of the cost of the school, and 21/2% on the excess over \$100,000 up to but not exceeding \$150,000. There is therefore still outstanding in respect of commission the sum of \$1,250.00.
