MANY MEN IN MARCH

Courteous Reception Given Unemployed by Mayor—Ex-service Men Numerous

Between three and four hundred men participated in the demonstration which was staged by local unemployed yesterday afternoon, it is stated by officials of the National Unemployed Workers' Association, Canadian Labor Defence League and Canadian Workers' Ex-Service Men's League under the aegis of which organizations the demonstration was arranged.

The main object of the demonstration was to protest against the proposed cut in relief allowances, and against the continued imprisonment of men who, it is claimed, were incarcerated on account of their activities on behalf of the unemployed.

The spokesmen of the paraders were courteously received at the City Hall by Mayor C. H. Orme. A letter was presented to the mayor outlining the demands of the paraders. His Worship gave assurance that the communication would be forwarded to the proper authorities. As far as the present council was concerned, it would not cut relief any lower.

The procession then moved on to the Court House and left a similar letter for Government Agent Norman A. Watt, who is at present out of town. The letter was received by Acting Government A. J. Lancaster.

The committee of the unemployed in charge of the parade expressed appreciation to the police who held up traffic at street intersections in order to permit the parade to pass.

Ex-service men who took part in the parade are stated to have represented Sweden, Finland, Poland, Russia (Imperial), Serbia, Czechoslovakia, Austria, Britain, United States, France (Foreign Legion) and, of course, Canada. Jack Dunn had charge of the parade.
