TELEPHONE SPECIALS

Shop by Phone to Save Time and Money.

Convinced that by telephone we can sell for less than otherwise, we have decided to put our theory into practice by means of "The Telephone Special."

The special prices quoted in this ad. apply only on orders phoned in, as we have proven beyond doubt that the overhead cost of selling which is the largest item in the expense column of the retail grocery business today is reduced by more than one-half when orders are taken on the phone as compared to those taken on the floor of the store. In other words our records for the past six months prove that the average clerk on the phone can accomplish more than three clerks of average ability in the store, consequently we feel that it is only fair that we pass this saving along to those who shop by telephone.

Shop by Phone to Save Time and Money.

This method along the lines we have explained above, completely explodes many of the time worn and accepted trade principles of the past, and we venture to predict that just as modern inventions have supplanted the methods of olden days, effecting big reductions in cost of manufacture, so also will our policy of lower prices to those who shop by phone supplant the time-wasting method of personal shopping.

Every home should have a phone. No longer is the telephone considered a luxury. It is an absolute necessity, and no household can afford to not have a phone. Make the phone pay its way. It will save shoe leather, and possibly a big medical bill from exposure on a shopping trip when the weather is bad. It brings every merchant in this town right to your door, no matter how far away you live.

All Set for Trapping

The power boats Whitewater and Rex are anchored off Cow Bay in readiness to hit out on a trapping expedition. The respective skippers have been busy for the past week getting everything ready for the great venture.

It is easy to get too sick to work but its wonderful how quickly a sick man will pick up on a deer hunt.

Leviathan Makes Port

Jack Toner's new ship Leviathan made port early on Thursday morning skipper Jack manning both oars. Upon coming down the gangplank with a crab in each hand the skipper was interviewed by several budding reporters of the secret service staff. Jack was in good humor and gave a detailed account of his movements. It was learned that the skipper had been on a reconnaissance of the coast as far as McNichol Creek in the interests of his breakfast and having discovered a couple of crabs doing nothing he had gently lifted them into the craft. By the look of Jack's feet it had been necessary for the Leviathan to take on water ballast. However that is nothing to do with the story. The reporters made spirited bids for the purchase of the breakfast dainties but Jack quietly and firmly told them that as far as he was aware there were still a few crabs left over there and that his boat was at their disposal. That terminated the interview, and Jack went off smiling to cater to the inner man.

The power boat Wigwam, Capt. Claude Ketchum, arrived in port on Thursday morning with two scow loads of lumber from the Georgetown mill.

Fish Business

The arrivals were: Valorous, Vesta, Fisher, Minnie V., Ethel June, Tramp, Helgeland, Nomad, Sentinel, Caygeon, Nuba, Venus, Westerner, G. E. Foster, Fairway, Majestic, Cape Spencer, Bingo, Teddy J., Dolphin.

Thanksgiving Turkey

With Thanksgiving Day drawing near the nautical celebrities have commenced their annual cribbage tournament which augers to be the most keenly contested yet staged. The prize is to be a brand new turkey. The first round between Ted Shrubsall and Algy Hunter went to the former after a brilliant display and amid cheers from the large crowd of onlookers. Previous to the staging of the great crib game between the St. Andrew's ladies and gentlemen, Doc. Clapperton had been the waterfront favorite. However in that game the ladies unmercifully beat the gentlemen, and Doc. who was to have been the star turn, turned in a most despicable score in fact it was so low that the scorer had to go into the basement to get the total. Ted seems to be playing in great form and it is probable that he will oust Doc in the favorite class. Bill Shrubsall fancies his chances and is so sure of winning the coveted bird that he has already let the contract for the enlarging of the domestic oven.

VANDERBILT MAY ENTER VANCOUVER

VANCOUVER, Oct. 19. — Reports that Cornelius Vanderbilt, millionaire young publisher, is about to invade the newspaper field of Vancouver have been current, without being denied. Vanderbilt, who served his apprenticeship as a reporter upon several metropolitan dailies, is now running an illustrated daily in Los Angeles with a circulation stated to be over 325,000.

The Hook which has been exposing the methods of international propaganda conducted in Canada by the American press services says that while Vanderbilt represents American idealism and not the type of propaganda of the Hearsts press that Canada can do better with out any American invasion of its press.
