Press For Rights North Country.

All northern residents will do well to get behind the northern members in pressing for the rights of the north in the matter of roads and bridges and other improvements. It is the place where money is needed just now. New settlers are coming in and more will come if they can be assured such improvements as will make for decent living conditions.

Take for instance the Lakelse valley across the river from Terrace. Already a good deal of the land is taken up and being farmed with more or less success. The great handicap against it is the fact that for weeks at a time it is impossible to cross the river. Both that farming district and the Lakelse Hot Springs are handicapped through the lack of a bridge.

While the cost of the bridge would be a good deal, and it is quite easy to understand the reluctance of the government to spend up to \$150,000 in one spot, yet the improvement is necessary. The whole Lakelse valley will be one vast agricultural section within a generation and that can be hastened by providing proper facilities.

Trunk Road From Prince George To Coast.

A trunk road from Prince George to Prince Rupert is one of the objectives for which the whole north country must press. We are all interested in it, and so are our members, Hon. T. D. Pattullo and Hon. A. M. Manson. They are in the difficult position of representing the whole province as well as their particular districts. For that reason we have to be always pressing our claims and making sure that we get our full share of the public money that is to be spent.

We strongly favor the building of the road from Burns Lake to Endako and also another part of the same highway in this direction from Terrace. Add to this the commencement of the road out of Prince Rupert and we see the trunk highway under way.

A good deal of the road will have to be much improved before it can be considered of great value but that will be done a little at a time. We must expect it will be some years before we shall be able to drive through to Hazelton or even to Terrace. If we get a proper share of the income derived from the natural resources re-invested in roads and bridges there will be nothing to worry about. If, on the other hand, we are not getting our proper share, it is for us to let the government see that we know it and that we must get fair treatment.

Queer Argument Of Manitoba Minister.

The former Attorney General of Manitoba has taken up the cudgels against British Columbia in the matter of freight rates. He says if we get lower rates the people of Manitoba will have to help pay the loss to the country. If that is the former method of reasoning we do not think much of it. Suppose we are treated unjustly he would have us treated unjustly for all time for fear it might cost him more if we were properly treated. He is willing that Manitoba shall benefit from our disability. If that is former morality, deliver us from a former government in this province. We, in the West, do not wish to benefit from anybody's handicap, but we do want justice.

Rid Ourselves Of All Excesses.

Manitoba is doing one good thing. It has decided to rid itself of the obsolete grand jury system. Like the senate it has come to us from a different age when it may have been needed. Today both the grand jury and the senate might well go along with the indecent and idolatrous system of kissing the Book when administering an oath. Even law and legislative machinery have eventually to give way to modern methods but the old customs die hard and a vigorous kick is necessary to rid the body politic of incumbrances.

"My Heart Would Palpitate, I Had Weak Spells"

Mrs. L. Whiting, 202 King St. West, Brockville, Ont., writes:-

"I took very sick with my nerves and stomach, and seemed to be all run down. At times my heart would flutter and palpitate so and I would take such weak spells in the pit of my stomach that I sometimes thought I would never get better. I had almost given up hope when a friend advised the use of Dr. Chase's Nerve Food. I did not stop until I had taken twenty-five boxes. It has done wonders for me and I want to recommend it to everyone."

ANNUAL MEETING OF METHODISTS

Took Place Last Night in Place of Regular Service—Reports and New Officers

The evening service at the Methodist Church yesterday was given over largely to the business of the annual congregational meeting. Representatives of various departments of the church submitted reports and the election of the board of management for the year was confirmed. The Methodist Church year closes on April 30.

The new board of management consists of Rev. G. G. Haeker, Miss Haddock, F. Derry, Dr. W. T. Kergin, W. H. Sherman, Mrs. Haeker, Mrs. A. Rogers, Mrs. W. H. Kergin, A. J. Lancaster, F. Dibb, J. Wolstenholme, W. B. Cornish, Mrs. W. T. Kergin, Miss E. M. Earle, M. T. Lee, C. Woodworth, C. R. Bignart, F. Vickers and A. J. Squires.

Rev. G. G. Haeker reported 16 new members enrolled during the year with a loss of 12 members, a net increase of four during the year. The names of several who had left the city or had become inactive had been taken off the roll.

Collections Good

J. Wolstenholme, church treasurer, reported total receipts for the year at \$2,444.52. Collections for the past year had been \$1,456.52 as against \$1,165.71 the year previous.

Mr. Haeker reported on musical organizations of the church for A. J. Lancaster. There had been good progress in the junior choir which was for the first time taking part in an evening service. The senior choir was suffering principally from lack of membership.

Mr. W. T. Kergin presented the report for the Ladies' Aid. Nine hundred dollars had been raised during the year and \$100 had been given to the church board. A similar amount was guaranteed for this year.

W. H. Sherman reported that the Men's Own had been reorganized last year and so far had been very successful. All men in the city would be welcomed as members.

\$500 for Missions

Reporting for the Women's Missionary Society, Mrs. Haeker stated that very good work had been performed during the year. Mrs. White had been made a life member. The services of the organists were referred to, Miss V. Calderone reported for the Mission Circle and Miss Haddock for the Mission Band. A total of \$500 had been subscribed through the church to missions during the year.

Miss Haddock also reported on the kindergarten and the primary department of the Sunday school. Established only in January, there had been an average attendance of 43 and a total enrolment of 54 in the kindergarten. Classes were held weekly.

Miss Sunda Calderone reported for the Sunday school a total membership of 168, an increase of seven and an average attendance of 108, an increase of 13. Contributions had totalled \$368, an increase of 845 over the year previous.

Anthems were sung at the service by the junior choir and the combined junior and senior choirs.

SILVER TEA SERVICE FOR A. BROOKSBANK

Members of Masonic Fraternity Made Presentation to District Deputy Grand Master

Just before the Princess Beatrice sailed for the south on Saturday afternoon, local members of the Masonic Lodge gathered at the government wharf and presented Arthur Brooksbank with a silver tea service. Mr. Brooksbank, who left for Ladysmith where he will reside in future, is district deputy Grand Master of the lodge here this year.

SALVATION ARMY TAG DAY REALIZED \$321

The sum of \$321.74 was realized as a result of the Salvation Army Self Denial Tag Day on Saturday. With several voluntary private subscriptions, the objective of \$400 for this city will be realized, it is expected. Capt. Coleman this morning expressed thanks and appreciation to all those who assisted in any way in making the annual appeal a success.

SMITHERS

The Smithers football club defeated Telkwa for the second time this season last week by a score of 3 goals to nil.

The school board is seeking a site for a high school. Next term all the four rooms in the present school if it is expected will be needed for public school classes and the high school will have to move.

The Interior News is installing a cylinder press and folding

machine and the size of the present building is to be doubled.

The first trip over the road from Burns Lake to Smithers was made last week by Ira Short.

Rev. James Evans, formerly of Smithers, has returned to Canada from England. He was married in the Old Country.

Sport Chat

With the opening games of the season in the Senior and Junior Football Leagues and the Junior Baseball League scheduled to take place this week, outdoor sport for the summer will get under way. The first Senior Football game will be next Friday evening between the Grotto and Callies and the Junior opener will be on Saturday between the High School and Public School. Final plans for the Junior Baseball League had not been perfected at the end of the week but it is understood that the teams will all be organized for the opening game on the McBride Street grounds some time this week. As usual, the baseball leagues are a little later in getting started with opening games scheduled for May 24 in the Senior division and in the intermediate on May 29.

When the first Senior Football game takes place on Friday, the competition for the Jubilee Cup, significant of the city championship, will start. It being arranged this year to have the Stuart Benefit series run through the season interspersed between the league games before and after July 1. The final for the City Cup is scheduled again for July 1, with the play-offs previous to that date. The Gilbey Cup final will be on Labor Day as in the past, followed by the Exhibition series later in September if this competition is to take place again this year. The holders of the football trophies at present are: Mobley Cup, Sons of Canada; City Cup, Callies; Stuart Shield, Sons of Canada. The trophy for the Junior Football League which starts on Saturday is the Rochester Shield. This trophy was won by the Dry Dock team in 1921 and was not in play last year.

The Nickerson Shield, the Senior Baseball trophy, has been won by the Sons of Canada twice and if that club again emerges on top this year it will obtain permanent possession of the silverware. In addition to the Nickerson shield, Spalding watch fobs will go to each of the members of the champion Senior team, Spalding balls will be in use in the games. The Golts Cup, now held by the Grotto club, will be the trophy again for the Intermediate League. Beach balls being used in the games, some trophy is expected from that company as well. The Junior Leaguers, as yet, have no trophy for which to play.

Reports on Canada's Crops

At frequent intervals throughout the season the Bank of Montreal issues reports on the progress of the crops in Canada. These reports, telegraphed to headquarters from the Managers of the Bank's 600 Branches, cover every Province and form a reliable index of crop conditions.

The reports are furnished free. Upon request at any Branch of the Bank your name will be placed on our mailing list.
