SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e. carrying over 5,000 board feet per acre west of the Coast Range and 3,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 1, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the ranges administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

CHRISTMAS ON LOCAL MARKET

Seasonal Lines are Moving Freely and Trade Will be up to Former Years

Christmas lines are now featuring the local retail market. They are moving out freely and it is anticipated that the festive season trade will be well up to former years.

Turkeys, geese, ducks and fowl will be plentiful this year with an increased amount of interior live and fresh killed stock offering. Advance sales on turkeys are heavier than ever before due to the low prices prevailing and the usual shortage on Christmas eve will result if sales keep up to the pace started.

The butter market has advanced again. No. 1 creamery butter is retailing at 55c per pound. Prospects are for a continued high butter market as oleo-margarine is barred after February 1.

Storage eggs are about cleaned up. The price on latest arrivals storage stock is up to 55c per dozen.

The potato market is firm on Class A grade stock. In fact very few real top grade spuds are

COMPARATIVE COSTS

Estimates received from the city engineer showed that the cost for five foot cinder walks would be \$1,602.15 and for four foot six board walks would be \$2,411.

Ald. Munro submitted his petition asking that the work be proceeded with along the line originally intended, namely board walks. This was signed by G. H. Arnold, Mrs. H. D. Bryant, Mrs. D. G. Stewart, Sisters of St. Joseph, W. E. Williams, J. R. Morgan, M. P. McCaffery and C. J. Graham. Ald. Munro admitted there was difference of opinion among the property owners. Some wanted cinder walks, some board walks and others do not seem to care. The ladies, it seemed, favored plank walks. In order to test out the feeling even more thoroughly he suggested that decision be deferred for a week.

Stating that it was not his fight but rather that of the property owners in question whom he had taken the trouble to canvas, Ald. Stephens submitted a list of those who favored cinder paths. It contained the names of Prince Rupert Building & Investment Syndicate, J. Fred Ritchie, Dr. J. A. West, R. L. McIntosh, G. P. Tinker (Waldron Apartments), A. R. Holby, L. W. Patmore, Mrs. Jenns, C. W. Homer, Capt. McCoskrie, B. Webster, Mrs. Pringle, Mr. O'Brien, Mr. Candow, Miss Gladwill, Fred Gilhuly, C. J. Graham, Oliver Rogers and Archbishop DeVernet.

New Petition

Ald. Macdonald felt that, in view of the difference of opinion that was apparent, it would be safest to have a petition submitted in writing. If such was done, there would be little difference of opinion for all would favor cinders, Ald. Stephens stated.

Finally it was moved by Ald. Mackenzie and seconded by Ald. Macdonald that a petition be circulated. The mayor was empowered to secure the services of a man to circulate the petition.

COUNCIL NOT DECIDED YET

Difference of Opinion Apparent in Connection With Side-walks in Section Five

Though Ald. Munro submitted a petition showing that certain property owners affected were in favor of board walks and Ald. Stephens countered with a list of names of those favoring cinder walks, the city council did not satisfy itself last night on which plan to accept in connection with the completion of the street work on Fourth and Fifth Avenues in Section 5 and decided to have a petition circulated asking for a change of the original plan from board to cinder walks. If this petition is signed by two-thirds or more of the property owners affected, cinder walks will be put in instead of board walks. If not, the original scheme for board walks will be proceeded with.
