BAZAAR OPENED TODAY AT BAPTIST CHURCH

Fine Display of Christmas and Other Articles on Display There

This afternoon at half-past two the annual Christmas bazaar of the Ladies' Aid of the Baptist Church was opened by Rev. A. J. Smitheon in the church parlors and the beautifully decorated stalls and the array of fancy articles on sale were an indication of the industry and artistry of the ladies who were in charge and of those who had prepared the articles. A brisk sale is anticipated, those in charge of the booths being:

Home Cooking—Mrs. B. M. Newell, Mrs. J. S. McDonald and Mrs. E. H. Shockley.

The whole general arrangements are looked after by Mrs. George Johnstone, the retiring president of the Ladies' Aid Society. The new officers of the society recently elected are president, Mrs. A. J. Smitheon; vice-president, Miss M. Hughes; secretary-treasurer, Mrs. S. Hamblin.

PRINCE RUPERT MAN UNWILLING SWIMMER ALICE ARM RECENTLY

The cool waters of the Alice Arm inlet are certainly proving a fascination for a number of people, says the Alice Arm Herald. This week it was Alex. Booner who took a high dive. Mr. Booner recently arrived from Prince Rupert to look over some mineral claims in which he is interested. On Tuesday evening he was in a row boat near the Dolly Varden wharf when the boat capsized and much against his will he took a plunge into the icy water.

Alex says he went so deep that he counted four mud sharks on the bottom, who gave him the cold eye. After what seemed to be several years he came to the surface, succeeded in righting his boat and climbed in.

MEN BEING PLACED THROUGH BUREAU OF EMPLOYMENT SERVICE

Six laborers were sent on the Cardena last night to work in the Whalen Mill. Three single-jackers, a steel sharpener and a cook were also sent there to work for E. H. Crawford on a small mining outfit.

On Monday ten tiemakers were sent to the Hansen Timber Co.'s and Prince Rupert Logging Co.'s tie camps in the interior.

Some machine miners are wanted for the Duthie mine at Smithers.

The list of unemployed at the labor bureau has swelled to 55 during the past week. Quite a few men have drifted in from the prairies looking for work.

Mrs. Jessie A. Jacobs is leaving the stenographic staff of the Forest Branch at the end of the year to enter the office of W. E. Collison, Indian agent.

TO LOOK PRETTIER END CONSTIPATION!

Constipation is often a cause of pimples, unhealthy complexion, dark rings around the eyes, fatigue, nervousness and irritability. And one of the chief reasons this condition is allowed to exist is because so many women dread to take harsh cathartics that pain and gripe and often leave one more constipated than ever, when the drug effect wears off.

Rid yourself of this handicap! Win back the flush of youth and beauty—the health and charm of schoolgirl days. Take a good vegetable tonic such as prescribed by Dr. H. S. Thacher and now used by thousands of women to help correct constipation without griping—to improve digestion—to nourish the system—to soothe and ease tired, overtaxed nerves—to build up the system and put on firm, healthy flesh and send purer, richer blood coursing through rosy cheeks.

Try just a spoonful of Dr. Thacher's after the next few meals. Notice the quick difference in the way you eat, sleep, look and feel! If not completely satisfied your druggist is authorized to return your money.

Dr. Thacher's Liver and Blood Syrup TONIC

Sold by Ormes Limited in Prince Rupert, and by leading druggists in every city and town.

ALICE ARM

Under the auspices of the Alice Arm Social League an enjoyable dance was held at the home of Mr. and Mrs. O. Gray, who were out of town and who kindly allowed the use of their house during their absence. The improvised orchestra consisted of piano, two guitars, a mandolin, accordian, cornet and clarinet. George Bruggy was master of ceremonies.

BREAK ON PIPE LINE REPAIRED YESTERDAY

City Power Turned Into Lines at 5:45 After Dry Dock Had Supplied for Few Hours

The break in the city's pipe line between Woodworth Lake and the Shawatlans' hydro-electric plant was repaired yesterday afternoon and the power-house started working shortly after 5 o'clock, electricity being turned from there into the city lines at 5.45 after the dry dock plant had provided the supply from 2.30. Further repairs in the way of bracing, etc. are being made today under the supervision of Ernest Love, superintendent of utilities, who has been at the scene of the trouble since early yesterday morning.

The new Seattle halibut schooner Sunset, Capt. John Hansen, is in port today with her first catch of halibut, 32,000 pounds. The vessel, which is of 67 tons and about 65 feet long, is similar to the Kanatak and Majestic, other new boats this year. She has a deisel engine and her capacity is about 60,000 pounds.

Sport Chat

In the Ladies' basketball game Monday night, the Teachers, after being behind in the first quarter, made a change on their line-up and from then on never looked backwards taking control of the game and running out easy winners by 24 points to 11. The losers never settled to any combination and were weak on shooting.

Teachers — Miss Helen Hibbard (2), 4; Miss Margaret Lindsay, 2; Miss N. Pryce (1), 2; Miss Caroline Mitchell (1), 14; Miss K. Harvey (1), 2.—Total, 24.

Kaiens—Miss B. Byrne, Miss Lundquist (1); Miss M. Casey (2), 5; Miss A. Morrison (2), 6; Miss B. Brochu.—Total, 11.

The Intermediate game was a keen contest but neither aggregation showed to any advantage in team work although at times the Elks made efforts at combination. On the whole, the game was characterized by too much individual work. The Elks fully merited their win although perhaps not by so many points as 31 to 20.

Elks—G. Shenton (3), 6; E. Craggs; H. Berryman (3), 7; W. Cavalier, 4; V. Meagher (2), 14.—Total, 31.

Grotto—W. D. Smith (3); T. Fraser (4), 2; G. Anderson (1), 2; W. Gray (2), 2; W. Wrathall, 10; Capstick, 4; L. Anderson.—Total, 20.

The surprise of the evening came in the Senior game when the Teachers made the Colts accept the small end of a 35 to 33 score. Right from the start the pedadogues took the lead and still held it at half time but, in the second half, it looked at one time as if the Colts were to annex the necessary points. A last minute rally by the Teachers, however, turned the tables and they came out victors over the champion club. They fully deserved their victory and it will be interesting now to see what progress they make after having secured their first victory. With the steady improvement shown in their play, the Teachers may yet have to be figured with as regards the championship before the season ends.

Teachers—H. S. Hurn (4), 2; C. Woodworth (2); A. Lane (1), 19; W. Lambie (4), 6; J. Mitchell (1), 8; D. Hartness.—Total 35.

Colts—S. Bazett-Jones (4); R. Bartlett (4); G. Mitchell, 6; E. Smith (1), 6; W. Mitchell (1), 21; D. Frizzell (1), M. Bodenich (1).—Total, 33.
