Home Town Friends of Challenger Predict That Gibbons May do so—Not Very Optimistic, However

ST. PAUL, June 23. — When Jack Dempsey answers the bell in the prize ring at Shelby, Mont., July 4, to defend his heavyweight title, he will meet a style of opposition somewhat different from that he has faced since he took the crown from Jess Willard.

In Tommy Gibbons of St. Paul, the champion will find a boxer of consummate skill, a man with a "mean punch," not afraid to mix in a toe-to-toe exchange, and a ring veteran who has never been knocked off his feet.

Gibbons fans recognize the power of the champion, the danger in his terrific rushes. But they look to Gibbons' boxing ability to go a long way towards offsetting Dempsey's rushing tactics.

These same boxing fans, who have been fighting the Dempsey-Gibbons battle in clubs and other places of congregation ever since the word came that the fight was "on," are not, as a whole, boasting of what Gibbons will do.

Confidence Lacking

It would be an exaggeration to say that in any considerable quarter of the challenger's home town there is confidence that he will defeat Dempsey. His own brother, Mike Gibbons, once famed as "The Phantom" in middleweight circles, does not feel that confidence.

But there is always "the chance," and in Gibbons' hands that prospect brightens for many. And if there is not confidence, there is hope, and that alone will attract hundreds from here to the fight. Victory for Gibbons, however, would be a surprise in his home town.

All of which does not detract from the ability of the challenger, for the homefolk hold the view that no one is better qualified to test the merit of the champion, not even excepting Luis Firpo, the South American, who recently has loomed large on the fighting skyline.

One Year Difference

Gibbons is 29, one year older than Dempsey, "official" records to the contrary notwithstanding. His height is 6 feet 3-4 inch, within a fraction of an inch of Dempsey, and in weight he will enter the ring around 178 pounds, while Dempsey probably will weigh in at 190 pounds.

Dempsey has an advantage of 2 1-2 inches in reach, as Gibbons' measurement in this respect is 71 1-2 inches. This is a recognized advantage, but Gibbons' friends hope this is one of the things superior boxing ability may overcome.

Her Heart Skipped Every Third Beat

Mrs. James Burleigh, 248 King St. E., Chatham, Ont., writes:—"I think it my duty to let you know what Milburn's Heart and Nerve Pills have done for me."

I suffered for years with palpitation of the heart, my nerves were very bad, and I could not be left alone at any time. I doctored for over a year, and the doctor said my heart was very bad as it skipped every third beat.

I gave up, just at this time, and then my mother advised me to try Milburn's Heart and Nerve Pills, saying my eldest brother had been relieved by using them when he was very bad with his heart and nerves. I got a box and started to take them, and when I had used it I felt a lot better; could sleep a little and felt stronger. I continued taking them for about three months, and felt better than I had for years.

When I think of the misery and suffering I went through before I started Milburn's Heart and Nerve Pills, I feel like letting everyone know what they did for me."

ANYBODY'S GAME RIGHT TO LAST ANYOX FOOTBALL

ANYOX, June 23. — By far the most interesting game of football played on the local grounds was that contested on Tuesday evening by the Elks and Smelter teams. It was anybody's game right up till the last minutes of play and the striving of the players to get the upper edge for their teams kept the fans on their toes all the way through the both periods. With three minutes to go, the teams were two all, when the Smelter, a very aggressive aggregation, bombarded the Elks' goal keeper with the winning tally. These two teams are going to furnish the football followers of Anyox with some splendid exhibitions before the season is over and as the Mine is strengthening up considerably there is every justification in believing that the game will be greatly in favor among sport lovers throughout the remainder of the season.

"Baker" Robertson registered the first goal for the Elks, one of the prettiest ever secured on local grounds. O'Connell got the second and last. The first goal for the Smelter was kicked by Greenwell, the second by Wilson and the third by Greenwell. The teams lined up as follows:

Elks—Goal, Lager; backs, Ballion and Robertson; half backs, Crawford, Scott and Carter; forwards, McKenzie, O'Connell, "Baker" Robertson, Selars and Jay.

Smelter—Goal, Michell; backs, Mair and Kirkland; half backs, Rowan, Ross and Main; forwards, McMorrow, Wilson, Greenwell, Kirkland and McLelland.

ELKS WON BALL GAME IN ANYOX LEAGUE BY SCORE OF 13 TO 1

ANYOX, June 23. — It is a sad story to tell about any ball team, but then the truth must out in any event; and now that the exhibition itself is a thing of the past, all interested in baseball welfare are hoping it won't happen again. It was really nobody's fault, not altogether unexpected, for anything like what happened in the last fixture of the Anyox Baseball League, a white rare, sometimes occurs. It is sure, however, that the Elks won by the bulky margin of twelve runs, 13 to 1, beating the Smelter thirteen to one. The Elks played good ball and were in fine form, while the "Gas Eaters" were unable to field a pitcher on account of sore arms, and apparently the fielders were afflicted with the same trouble, as well as bad eyesight, for when they did handle the ball, wild throwing was invariably the result. Fitzpatrick on the mound for the antlered herd, was in fine form and on two occasions during the game struck out the first three men up. His total for the game was eight strike outs. Lee had none, and Mattix, who relieved him, the same number. Features of the game included a liner off Greenwell's bat, which was gathered by the pitcher, the two base hits of Cody and McIntyre, the catch of a foul ball by McKenna that was a hundred to one shot, the earning of the one run by McKenna of the only score made by the Smelter. Greenwell's catch of Cole's difficult fly and Brown's fielding of a hot one straight from the wood.

Batteries — Elks: Fitzpatrick and Cody. Smelter: Lee, Mattix and McKenna.

Umpire—Olson; base umpire, Olson.

Line-up:
Elks—Downs, Campbell, Fitzpatrick, Greenwell, Cody, McIntyre.
